FOREST GROVE, OREGON, THURSDAY, DEC. 15, 1910

No. 6

Woman's Club to Sell Red Cross Stamps

At the regular meeting of the Forest Grove Woman's Club, held Monday afternoon at the home of Mrs. B. F. White, Mesdames Atwell and Hines were appointed to superintend the sale of Red Cross stamps, a supply of which has just been received by the organization.

The rubbish cans which the club will place in the business section, have been purchased, and are expected to arrive in the immediate future, when they will be properly distributed.

A most interesting program was rendered at the meeting, Mrs. J. A. Abbott speaking upon the subject of parking, Mrs. C. V. B. Russell on the need of "Everybody Working," and Mrs. Scheetz on "Patronizing Home Industries if we would have good ones." Hon. E. W. Haines delivered an instructive talk upon roads in general. Mrs. Kinzer spoke of the irregular size of telephone and light poles. Miss Farnham gave an interesting review of what had been accomplished by the Civic Improvement Society, and current events were handled by Mesdames Atwell, Burlingham and Watt.

Doings of Council

At the regular meeting of the City Council Tuesday evening a tax levy of 10 mills for the year 1910 was decided upon. Of this 8 mills will be apportioned to the general fund and one each to the library and building fund. The resignation of Councilman Felix Verhooven was received and accepted and G. S. Allen appointed to serve until the January election. Claims against the city of Watt Vincent and Rev. Daniel Staver for damages and right of way of pipe line were settled for 145.50 and 30.00 respectively. Application of Miss E. B. Penfield for renewal of lease of the room occupied by the book store was received and placed on file. In all probability the lease will not be renewed, as the city may desire to use the room as a meeting place for the council.

Rev. D. T. Thomas attended the Home Missionary Executive Meeting held in Portland Monday.

Dress Making

Notice to customers—That Stella M. Dickey is located over Mrs. Rider's Millinery store first door south of studio. Phone evenings 144. 6-2t

Likfresh Products Ablly Demonstrated

At a large meeting of farmers and fruit growers, held in the K. P. Hall, Saturday afternoon, General Manager Geo. K. Rogers, of the Likfresh Evaporator Company, gave a practical demonstration of the value of the Likfresh product. Numerous samples of dried fruits and vegetables were shown and then prepared for serving and passed among the audience, one and all of whom pronounced them far superior to the old variety of dried stuff. Mr. Rogers gave an interesting resume of the work of Prof. Swett in perfecting his invention, dwelling upon the length of time in which he had been engaged solving the problem of proper food preservation and of his ultimate triumph.

Elsewhere in this issue will be found a full report of the recent Likfresh dinner served in Portland, a photograph of which is also shown below.

Don't deery your lack of a chance. The biggest successes in history were built on self-made opportunities.

Teachers' Assn Meet

The regular monthly meeting of the County Teachers' Association, held at Cornelius Saturday last, was one of the most successful of the year. Rev. Moore, of Cornelius, delivered an address of welcome, in which he spoke of the progress of the day and dwelt upon the prospects for the future. He welcomed the teachers as wide awake instructors who were abreast of the times, and engaged in doing all in their power to help humanity by preparing children to live. The reverend gentleman's remarks were most scholarly and full of inspiration.

The morning session was called to order by V. V. Willis, and several selections were sung by the assemblage. O. M. Gardner spoke upon the subject of "How to Study" by taking up the proposition of "Have a specific aim." The question was well discussed and many good ideas were given to the teachers to be used in their school work. N. A. Frost then discussed the subject of Spelling by giving some review of the formation of our language and showing some of the difficulties to be overcome.

A most appetizing meal was served to the members of the Association by the Ladies' Aid Society, and a general good time enjoyed at the dinner. The afternoon session was called to order at 1:15 by Vice-President R. L. Waun, and after some music by the association, Miss Violet Taylor took up the subject of clay modelling as used in the grades. A map of South America was made showing the relief form and general topography. It was also shown how clay could be used in arithmetic, language and reading work. Miss Lathrop demonstrated the work of Long Division, showing the three difficulties and how to overcome them.

After a short recess Miss Lina Hancock gave a vocal solo which was greatly appreciated. The subject of percentage was ably discussed by Mr. Jas. Jack. Statements were made and problems solved showing the different steps and conditions in percentage work. Many questions were asked and answered.

It was decided to have a badge to be worn at the State meeting in Portland and a banner is to be made to make known the presence of the Washington County Teachers Association.

After tendering a vote of thanks to the Ladies' Aid and people of Cornelius and declaring that this was the best meeting of the year the Association adjourned to meet the second Saturday in January.

Beware of strangers taking subscriptions to papers and magazines giving prizes etc., you may never get anything for your money. Give your subscription to your home dealer in whom you can rely. If your magazine does not come you know who to go to to know the reason why. Go to the Forest Grove Pharmacy for special clubbing rates on any and all papers and magazines.

Washington Co. Pioneer Dies at Grants Pass

Saturday morning, at the home of his daughter, Mrs. A. T. Lewis, in Grants Pass, D. O. Quick passed to the great beyond at the ripe old age of 81, after an illness extending over several weeks.

Mr. Quick came to Oregon in 1862, crossing the plains from Indiana, accompanied by his young wife, and meeting with many adventures on the way. He settled on Dairy Creek, where he conducted a sawmill until 1880 when he removed with his family to Polk county, where he resided for sixteen years, removing into Benton county for a two years stay, and settling finally at the town of Halsey in Linn county, where he was married to Mrs. M. J. Anderson in 1903, his first wife having died in 1900. At the beginning of last summer, being in poor health, Mr. Quick went to reside with his daughter in Grants Pass. Besides his daughter in Grants Pass, Mr. Quick leaves five sons and two other daughters to mourn his loss. O. E. and W. D. Quick of this city, E. E. Quick of St. Helens, W. J. Quick of Polk county, F. Y. Quick of Benton county, Mrs. T. A. Fowles of Mountaine, this county, and Mrs. D. P. Trenhon, of Benton county.

May Locate in Grove

L. S. Dunham, of Concord, Mich., was looking over the "prettiest town in Oregon" last week under the guidance of T. J. O. Thacher, with a view to establishing a home in our midst. Mr. Dunham is the acknowledged king of Shropshire sheep raisers, and maintains a large ranch near Boise, Idaho, devoted exclusively to that purpose. He knows personally practically every breeder of Shropshires in this country, Canada and England, and is equally well known in turn. Mr. Dunham would make a valuable addition to Forest Grove's citizens, and a decided adjunct to its business interests.

Another Pioneer Gone

Martin V. Bisbee, one of the wealthy farmers of Washington County, living near here died Friday night, aged 76 years. He was born in Auburn, Me., and removed to Sipeo, Mich., where he married Miss Caressa McHale on January 5, 1866. The family removed to California 35 years ago, and a year later came to Oregon, locating in Washington County on the place where Mr. Bisbee died. He leaves one son, Delbert, who is a resident of Portland. An adopted daughter, Mrs. William Johnson, lives on the Bisbee farm with her husband. Funeral services were held Monday under the auspices of the local Masonic Lodge, with interment in Forest View cemetery.

Hoffman & Allen Co. have an endless variety of useful Christmas presents. 6-2t

Six-Course Likfresh Dinner served to Officers and Judge Oregon State Horticultural Society at recent Apple Show in Portland. Reading from left to right, Mr. and Mrs. Geo. K. Rodgers, Hosts; Frank W. Power, Secy, Oregon State Horticultural Society; Prof. H. E. Van Deman, Washington, D. C., Official Judge; W. H. Swett, Inventor Likfresh System of Food Preservation; Prof. C. I. Lewis, Head Horticultural Dept., O. A. C.; Hon. Homer C. Atwell, Pres. O. S. H. Society; W. T. Buchanan, Staff Writer, Portland, Oregon.

Ed. Naylor Has Chance

Latest advises from St. Vincent's Hospital, state that Ed. Naylor, who was shot by Frank Lanocker last Friday night on his property just at the edge of town, has a fighting chance of recovery.

The assailant, who committed suicide immediately after the attempt upon Naylor's life, was a well-known fruit grower of North Yamhill. No cause is known for the shooting, and although the county officers are working upon the case nothing definite as yet has been learned.

The Book Store always has the choicest post card line, but the Christmas cards are prettier than ever. Ready. tf

More About Naylor Case

As we go to press information reaches us from Sheriff Hancock that the rumors floating about town relative to the recent Naylor shooting are unfounded. The family of Frank Lanocker state positively that Mr. Naylor was unknown to them up to the time of the tragedy, and that to the best of their knowledge there was nothing to have warranted the act. They do say however, that Mr. Lanocker was a very quick tempered man, excitable and nervous, and that he always carried a revolver. Sheriff Hancock has investigated the matter thoroughly, and gives as his belief that the man was temporarily insane and a contemplated suicide.

Regular Communication of Forest Chapter No. 42 O. E. S. will be held Monday, Dec. 19, 1910. Initiation and entertaining the Worthy Grand Patron, Mr. Boyd and wife. A large attendance desired. Secretary.
