"Mark Twain's Oyster System"

This is the name of the book which gives many recipes, unknown inland. Every housewife is welcome to see it at our store.

We are handling only Sealship Oysters this year. We are the authorized agents of the Sealship Oyster System.

Sealship Oysters

Straight from the Oyster Beds Under Seal

This means that the oysters are placed in air-tight containers right at the seashore, immediately sealed and shipped straight to you. The ice is packed around the containers on the outside, ice or water in the containers just solid oysters. They retain all of the true oyster—the real tang of the sea.

When they reach you they are placed in a clean and blue porcelain Sealship tray used by all licensed agents in contract, and handed you in a pail.

Remember in buying Sealship Oysters you get nothing plump, solid oyster meat water—hence no waste. Sealship Oysters are the standard value. When you pay you get less.
