**Running Water in Your Home**

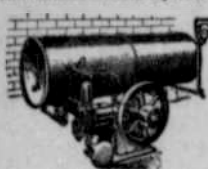

Wherever you live—in town, suburb or country—in a 5, 6 or 12 room house—an adequate, satisfying, lasting supply of water on any floor or in any room every day of every year is now possible. For here is a compressed air system that cannot be frozen out of service—or that no summer's gale can cripple. Will do the work of a thousand pipes for you—saves drudgery, safeguards the family health and protects the home from dangers of fire. A

**Leader Water System**

consisting of a steel Leader tank in your cellar connected with your well, cistern or spring—a gas engine, wind-mill or hand-pump, and a simple, easy-to-install system of piping is all that is necessary.

Let us show you how a Leader Water System in your home will save you money—in doctor's bills, and add to your own comfort and satisfaction at the same time.

A Leader Water System suited to the needs of your home will never get out of order or need repairs. A few minutes attention each day is all that the apparatus requires.

**School Notes**

The public school record shows but a small increase over last year's enrollment, but the work is better organized and more departments are at work. The 8th grade has nearly 50 pupils and the High School has 85. The Domestic Science and Art room is arranged for pleasant work and the girls are enjoying it very much. Parents and friends are invited to visit in any of the departments and offer their commendation or criticism.

The football boys are awaking to their possibilities.

The school band is again heard at their practice.

The High School will have a chorus class this winter.

We recognize a pleasant call last Monday from N. A. Frost of the Watts district.

Miss Amy Thomas, a sixth grade teacher, visited in the Portland schools Wednesday. Mrs. V. V. Willis taught in her place.

**Hillsboro Jottings**

This vicinity was visited by a heavy frost Wednesday morning.

The brick work on the new Schulmerich block is nearing completion.

Elder Vallandingham completes his pastorate at the Christian Church next Sunday. Elder J.W. VanDewalker, of Pendleton, has been invited to fill the vacancy.

Circuit Court was in session Monday forenoon, and disposed of some divorce cases and other similar matters.

Paving work commenced in earnest this week and night shifts are employed in order to carry along as rapidly as possible and the paving of the busiest streets will be completed first.

**Locals**

Dr. and Mrs. A. M. Kinney and son Maurice leave this afternoon on their trip to Europe.

Rev. and Mrs. E. V. Stivers of McMinnville were in the Grove yesterday and today.

Mrs. Anna Goff entertained the Fleur de Lis Tuesday afternoon. Refreshments were served and the afternoon was enjoyed as it always is at Fleur de Lis.

Mrs. Ida L. McCoy, Field Secretary of the Old People's Home, at Salem, was in town this week and stopped at the residence of Mr. and Mrs. A. G. Hoffman.

Mrs. A. B. Caples entertained eleven of the babies and their mothers Tuesday afternoon in honor of her son's first birthday. The afternoon was pleasantly spent in discussion of the brilliant futures of the little boys and girls. Delicious refreshments were served, and even the babies say (?) they had a good time.

What an undertaking—the publishing of a country newspaper. The editor is supposed to snoop around and smell out just what the public is almost dying to hear, and then gets called all the mean names in the calendar for publishing it. If he says nothing he is dubbed a coward. If he tells the truth they won't advertise or pay their subscription. Sometimes we wonder how we got into this newspaper business anyhow and if we broach the subject to our wife she accuses us of having bats in the belfry. We are consoled by others who say that we are not crazy only a darn fool.
