G. iltly as Charged

Mrs. Jennie Galbreath, of the Tualatin section, was tried last week in the circuit court on an indictment and found guilty. It appears that in August the road supervisor, with a crew of workmen, was opening a road through the Galbreath premises, near Tualatin, when they were fired upon from the upstairs window with a shotgun in the hands of Mrs. Galbreath. No one was hurt, but the excitement ran high for a while.

Remembers Old Home.

G. M. Gilbert, of Moscow, Idaho, who at one time owned a farm just east of town, sent his cousin, Mrs. Emily Bump, a box of apples raised in his orchard at Moscow. He also sent a photo of his orchard and surroundings, and writes that he has named his farm "Forest Grove Farm."

Adjudged Insane

L. R. Whitmore, who established the Beaverton Reporter May 25 of last year and edited the same until recently, has been adjudged insane and sent to Salem where he will be able to have proper treatment. Mr. Whitmore has paralysis of the lower limbs. He has been addicted to the drink habit for a long time and of late it has gotten the better of him. He is well known newspaper man throughout Oregon. He has a son somewhere in the state, who is well to do and in business.

Reputation Goes Ahead

W. B. Haines is an experienced and successful banker and business man, who as president was one of the principal organizers and builders of one of Washington county's strongest and largest banks, namely the Forest Grove National which when organized made the third bank for Forest Grove, there being in operation at the time the E. W. Haines Private Bank and the First National Bank. Mr. Haines has for the past two years served as postmaster at Forest Grove which position he resigned upon coming to McMinnville to cast his lot with the United States National Bank. — McMinnville News Reporter.

ORENCO TREES ARE REALLY CHEAP

Some trees appear cheap, but are really expensive. Other trees appear expensive, but are really cheap. You cannot buy high-grade, productive land for the same price as poor land sells for.

You cannot buy Oak lumber for the same price as Fir lumber.

It is Quality in Trees that Counts.

We grow our own trees in our 1200-acre nursery. Our land was selected specifically for nursery purposes. It produces the very choicest type of trees possible to obtain anywhere, with stalwart tops, strong fibrous roots; in short, strictly first-class, sound, healthy, fully matured trees. There are none better grown, and they are **Really Cheap**; because they are such as will "Make Good."

If you need any N. Y. Pippin, Spitzenberg, Winesap, Rome Beauty, McIntosh Red, Jonathan or any other commercial or home variety, just drop us a line stating your requirements.

We also have some of the best peach trees in Early Crawford, Elberta, Foster, Fitzgerald, Gillingham and other good varieties we have ever grown.

If you want Peach Trees, you can't get better.
