WHY NOT?

1st. Good, honest Dentistry to the best of my ability. Could one do more?

2nd. I examine your mouth and tell you its actual condition before I begin your actual work, stating in advance what the cost will be. If not, the examination costs you nothing.

3rd. I guarantee all that I do, as I consider work not worth guaranteeing, not worth doing. This has been my policy.

4th. Absolute cleanliness. Every instrument must be cleaned, and are used as they are taken from the sterilizers.

5th. My prices are reasonable, not advertised cheap prices to lure you in, and then charge you more—but a price that will make more friends; more patients; one price to all.
