### Why Pay Ten Dollars.

Why pay ten dollars for a map which merely shows Washington County, when you can get one on a larger scale showing everything from the Willamette River west to the west boundary of the county, size 50x67 inches for \$7.50, or a pocket size 24x33 in. for \$2. Get it of your bookseller or address T. S. Wilkes & Son,

Don't neglect the children's musical education. It is a sin for parents to neglect this part of a child's education. Have you a piano in your home to start the little ones out on, who, if they had half a chance, would turn the gloom into sunshine for you and others? I sell good reliable pianos and sell them on terms to suit you whether for cash, or the smallest payment you can afford.—GEO. G. PATERSON, Forest Grove.

## ORENCO TREES ARE REALLY CHEAP

Some trees appear cheap, but are really expensive. Other trees appear expensive, but are really cheap. You cannot buy high-grade, productive land for the same price as poor land sells for.

You cannot buy Oak lumber for the same price as Fir lumber.

### It is Quality in Trees that Counts.

We grow our own trees in our 1200-acre nursery. Our land was selected specifically for nursery purposes. It produces the very choicest type of trees possible to obtain anywhere, with stalwart tops, strong fibrous roots; in short, strictly first-class, sound, healthy, fully matured trees. There are none better grown, and they are **Really Cheap**; because they are such as will "Make Good."

If you need any N. Y. Pippin, Spitzenberg, Winesap, Rome Beauty, McIntosh Red, Jonathan or any other commercial or home variety, just drop us a line stating your requirements.

We also have some of the best peach trees in Early Crawford, Elberta, Foster, Fitzgerald, Gillingham and other good varieties we have ever grown.

### If you want Peach Trees, you can't get better.
