## The High Cost of Living

crosses to the other side of the street when it meets a Moyer \$15.00 Suit walking arm in arm with High Quality and Low Price--It's ashamed to meet that inseparable trio.

If you always got as much for your money as you do when you buy a Moyer \$15 Suit there would be no more complaint about the high cost of living.

Moyer \$15-00 Suits are not, and cannot be, equaled at the price. They're tailored suits--tailored from good woollens in the styles that are now being worn. If you wish to lower the cost of your living come in and be fitted in a Moyer \$15 Suit.
