With the special revival services at the Christian church drawing near, the interest seems to be increasing each Sunday. There were two more persons united with the church last Sunday. Next Sunday the pastor will preach both morning and evening, with the regular Sunday school services preceding.

The theme for the morning will be "Getting Into Line," and in the evening the subject will be, "The Conversion Of An Officer of State." Don't forget the date of the revival is July 7, and two of the most successful evangelists will conduct it. All are welcome.

The Odd Fellows and Rebeccas attended memorial services at Banks last Sunday at two o'clock. E. W. Haines, J. F. McGill and wife, Al. Sixel and wife, John Templeton and wife, Hill, Sam Walker and wife, U. S. Abraham, J. N. Hoffman and Mr. Bundy were systematically loaded into the auto truck of Dan Pierce and proceeded to Banks, where they listened to an Odd Fellows memorial sermon. The trip was a pleasant one and all seemed well pleased with the experience and were glad when returned at 6 o'clock and had an opportunity to remove the dust.

T. H. Littlehales received a letter conveying their sad news of the death of his brother, J. G. Littlehales. Two brothers were operated on for disease of the bladder on the same day in a London hospital on May 24, J. G. being too weak to survive the shock, died on the 27th. The two brothers have been in the service of the Rothchild Bank on St. Switzers Lane, London, for more than 40 years. The editor had the pleasure of visiting with the deceased and his family in their home at Brighton, England, six years ago, while in England, and had the pleasure of a visit from him when he visited his brother here in the Grove two years ago.

ODD FELLOW'S PICNIC.

The Odd Fellows' picnic held Wednesday in Naylor's grove was a decided success. About 300 Odd Fellows and Rebeccas were in attendance.

Rev. Van Walker pastor of the Christian church at Hillsboro delivered the address. The Hillsboro band and Walker's orchestra furnished the music. A free for all, bountiful spread was had at the noon hour. Races and games furnished much amusement.

The picnic was so successful that it was decided to form a permanent organization. L. M. Graham was elected permanent chairman, and G. J. Palmateer Hillsboro secretary. A committee of one from each of the four lodges represented, was chosen to present the matter to the respective lodges, Benton Brown of Hillsboro, W. N. Thompson of Banks, F. M. Hill of Gaston and A. E. Gardner of Forest Grove.

The Rebeccas joined in the permanent organization and a committee of one, from each lodge, chosen to present the matter to their respective lodges, Mrs. Elsie Soehren of Banks, Mrs. J. H. White of Gaston, Mrs. Anna Templeton, of Forest Grove, and Mrs. Collier of Shoals were appointed.

The Odd Fellows believe that a more perfect brother and sister union and wider extended acquaintance of the brothers and sisters of Washington County may be secured by holding these union picnics.

Don't neglect the children's musical education. It is a sin for parents to neglect this part of a child's education. Have you a piano in your home to start the little ones out on, who, if they had half a chance, would turn the gloom into sunshine for you and others? I sell good reliable pianos and sell them on terms to suit you whether for cash, or the smallest payment you can afford.
