## TYPEWRITERS

### GIVEN AWAY

The Emerson Typewriter Company of Woodstock, Ill., have recently given away over 400 of the highest grade, wholly visible Emerson Typewriters made in the world. They have gone into every state and territory in the United States. There may be some in your town. They are giving them away everywhere to men, women, boys and girls, over eighteen years of age, on surprisingly liberal conditions.

If you could make any use of a \$100 typewriter, providing it did not cost you even one cent, then in a letter or on a postal card addressed to Frank L. Wilder, President, Woodstock, Ill., simply say, "Mail me all your free offers," and by return mail you will receive their free offers, the names of over 400 who have recently received typewriters free, and you will learn on what easy conditions you can get one of their typewriters free right away.

The Emerson Typewriter is one of the highest grade, wholly visible typewriters made in the world. Many who have used the "EMERSON" and other makes pronounce the "EMERSON" superior to any \$100.00 typewriter on the market. It is a wholly visible machine, has every new, up-to-date feature, looks like other high grade \$100.00 typewriters, though it is selling just now at an astonishingly low price and on terms of no money with order, trial free in your own home. Nothing to pay at first, and after a thorough trial, 10 cents a day until paid. The "EMERSON" has every new improvement, universal keyboard, back spacer, tabulator, two-color ribbon, everything the best; is the ideal machine for beginners as well as for the most expert typists and stenographers; just the typewriter for the smallest or largest office.

If you could possibly make any use of a high grade typewriter, even though it didn't cost you one cent of money, or if you would like the agency in your town on a plan by which you could make big money, or if you would like a position with the company, then be sure, on a postal card or in a letter addressed to "Frank L. Wilder, President, Woodstock, Ill.," say "Mail me your Free Offers."
