## of Chihuahua By Rebels.

Federals With 6000 Men Control Situation-Insurrectos In Sore Financial Straits.

Chihuahua-General Pascual Orozco. the rebel chief, has decided to ask General Huerta, the federal commander, advancing northward with 6000 city by a rebel garrison whose neu- brothers. trality should be respected by the gov-ernment. Though declining to admit that this is contemplating an evacua-tion, General Orozco said he did not of a fanatical mob.

Officials at rebel headquarters are reticent as to their plans, but the intention to send an emissary to General abandonment of Chihuahua is taken to mean, in connection with other symptoms of disorganization here, that the Mexican revolution will pass in a few days from an organized revolt against the Madero government into guerilla warfare, uncontrolled and irrespons-

It is virtually certain that there will be no big battle at Bachimba, 46 miles south of here, as has been expected. The rebels may put up a lively fight for a brief interval in order to hold the federals back, but an orderly retreat is really being planned, together with the destruction of every bridge and culvert between Bachimba and Chihuahua, further to delay the government advance.
