TYPEWRITERS GIVEN AWAY

The Emerson Typewriter Company of Woodstock, Ill., have recently given away over 400 of the highest grade, wholly visible Emerson Typewriters made in the world. They have gone into every state and territory in the United States. There may be some in your town. They are giving them away everywhere to men, women, boys and girls, over eighteen years of age, on surprisingly liberal conditions.

If you could make any use of a \$100 typewriter, providing it did not cost you even one cent, then in a letter or on a postal card addressed to Frank L. Wilder, President, Woodstock, Ill., simply say, "Mail me all your free offers," and by return mail you will receive their free offers, the names of over 400 who have recently received typewriters free, and you will learn on what easy conditions you can get one of their typewriters free right away.

The Emerson Typewriter is one of the highest grade, wholly visible typewriters made in the world. Many who have used the "EMERSON" and other makes pronounce the "EMERSON" superior to any \$100.00 typewriter on the market. It is a wholly visible machine, has every new, up-to-date feature, looks like other high grade \$100.00 typewriters, though it is selling just now at an astonishingly low price and on terms of no money with order, trial free in your own home. Nothing to pay at first, and after a thorough trial, 10 cents a day until paid. The "EMERSON" has every new improvement, universal keyboard, back spacer, tabulator, two-color ribbon, everything the best; is the ideal machine for beginners as well as for the most expert typists and stenographers; just the typewriter for the smallest or largest office.

If you could possibly make any use of a high grade typewriter, even though it didn't cost you one cent of money, or if you would like the agency in your town on a plan by which you could make big money, or if you would like a position with the company, then be sure, on a postal card or in a letter addressed to "Frank L. Wilder, President, Woodstock, Ill.," say "Mail me your Free Offers."

J. N. Hoffman was present before the Council and requested that action be taken on charges preferred against the Chief of Police. Charges read as follows:

To the Hon. Mayor and City Council of Forest Grove, Oregon: We would respectfully call your attention to the fact, your Chief of Police, P. W. Watkins is guilty of conduct unbecoming an officer in as much as that he in the presence of Sexton and others repeatedly called the informant herein A Son-of-a-bitch. This occurred on the street at intersection of College Way and Pacific Avenue on the morning of July 2nd, 1912.

We would ask that this matter be taken up by your honorable body and we stand ready to prove our assertions.

Dated this 2nd day of July, 1912, at Forest Grove, Oregon. Signed J. N. Hoffman.

The Chief was present and admitted using the language charged; explained that he was not wearing the STAR at the time, having left it at home that morning.

The Council decided that they would have no authority to pass on the matter as the Chief could not be held liable under the circumstances, and the communication was laid on the table indefinitely. Councilman Sanford talked at length on the matter saying that in his opinion the language used was justified as the informant had been doing all he could against the town for the past 3 or 4 years.

Don't neglect the children's musical education. It is a sin for parents to neglect this part of a child's education. Have you a piano in your home to start the little ones out on, who, if they had half a chance, would turn the gloom into sunshine for you and others? I sell good reliable pianos and sell them on terms to suit you whether for cash, or the smallest payment you can afford.—Geo. G. PATERSON, Forest Grove.
