Don't neglect the children's musical education. It is a sin for parents to neglect this part of a child's education. Have you a piano in your home to start the little ones out on, who, if they had half a chance, would turn the gloom into sunshine for you and others? I sell good reliable pianos and sell them on terms to suit you whether for cash, or the smallest payment you can afford.
—GEO. G. PATERSON, Forest Grove, Ore.

Dilley, Oregon

Dear Sir

In announcing myself as candidate for representative of Washington County, I wish to say that I have been a resident of this county 29 years and am familiar with the needs of our people. To fill this position of trust, I am willing to give the best service of my life. I favor revenue from taxation sufficient only for the needs. The simplification of the justice procedure, favor the Recall and in-dorse the Oregon System. If elected will be your servant.

Under these pledges I ask your suffrage at the November election.
