MUSICAL TREAT OF MONDAY EVENING

Artists of World-Wide Fame
Delight Grove Audience
At University Hall.

RECITAL OF GREAT MERIT

Susie Fennel Pipes and Charles
Derbyshire Win Instant Success
In Difficult Numbers.

Seldom has such an opportunity been presented to the music loving folk of Forest Grove as that of Monday night, when the first of a series of four recitals, under the direction of Eugene Kuester, was given in Marsh Hall. Two artists of marked ability held the audience entranced from the opening number till the final solo, and spontaneous and lengthy applause greeted the close of each portion of the program.

Susie Fennel Pipes, a violinist of exceptional cultivation, interpreted the masterpieces of Violin literature with a depth and breadth of feeling which carried her hearers beyond the present and into the land of beyond. Under the masterly touch of this great American artist the violin speaks language real and humanly beautiful which everybody can understand.

Charles Derbyshire, an English baritone with a truly magnificent voice, scored an overwhelming success. Mr. Derbyshire is a singer of marked ability, with a voice mellow in quality, extensive in range and evenly developed from the lowest to the highest tone, and which he handles with consummate artistry. His rendition of the several difficult numbers well merited the generous appreciation shown.

The second concert will be given on the evening of December 16, when David Bispham, conceded to be the greatest of American baritones, will render a program of exceptional merit and strength.

PROMINENT ATHLETE OF GROVE AT SANITARIUM WITH TUBERCULOSIS

Edward Jasper, who has been attending Creighton University at Omaha for some time past, is now a patient at the Forest Grove Sanitarium, suffering from tuberculosis. Mr. Jasper has been in the Sanitarium for the past two weeks and is now reported upon the road to recovery. At Creighton Mr. Jasper stood very high in his studies, and took a prominent part in the sports of the University, being considered an all-round athlete of great promise. His home is about two miles northwest of Forest Grove, and upon his discharge from the sanitarium he will remain there for some time, or until fully recovered.

PLANING MILL EMPLOYEE BADLY INJURED BY WHIRRING MACHINERY

Omer Moore, an employee of the Forest Grove Planing Mill company, sustained a deep cut on the side of the right hand Tuesday morning, while tapering a board on the jointer. In some manner the board which Moore was handling slipped, permitting his hand to come in contact with the razor-like blade, inflicting a wound several inches long, and cutting in to the bone. It will be several weeks before the injured man will have the use of the hand, and in all probability the little finger will be permanently crippled.

WASHINGTON COUNTY MAN IS APPOINTED TO BOARD OF REGENTS

W. K. Newell, of this county, has been appointed by Governor West as a member of the board of regents of the University of Oregon to succeed J. C. Ainsworth, resigned. Mr. Newell has been a resident of Washington County for the past twenty-three years, and is a well known and popular citizen. He served the people as representative in the State Legislature during 1905, '06, '07, keeping an ever-watchful eye on the interests of his constituents and giving general satisfaction. Mr. Newell is now managing his large ranch near Gaston, but will take all the time necessary to properly perform the duties appertaining to his new office.

ELECT OFFICERS FOR YEAR

Strong Sentiment Expressed Favoring Continuance of Supervisor Work in County.

One of the most interesting sessions of the Washington County Teachers' Association ever held was that which took place in this city last Saturday, with Professor James H. Jack presiding. County Superintendent-elect B. W. Barnes, of Hillsboro, was present and outlined briefly his proposed policy and pledged hearty support to the organization.

Strong sentiment favoring the continuance of the supervisor work in the county schools was expressed and a committee appointed to bring the matter properly to the attention of the Representatives-elect from Washington County.

An interesting outline of the best method of presenting a classic was given by a teacher of English in the Hillsboro High School, Miss Butler. Mrs. Hettie Skidmore illustrated in a graphic manner the plan she had found most satisfactory in teaching artistic ideas of school and home decoration to her pupils. Mrs. Skidmore has had remarkable success in this endeavor because of her knowledge of using ordinary materials to achieve extraordinary results.

Morning and afternoon sessions were held, and in the noon intermission, luncheon was served at the Congregational parlors by the Missionary Committee of Mrs. M. A. Bean's Sunday School class.

Before the afternoon session was brought to a close, officers for the ensuing year, were elected as follows:

President, R. L. Wann, of Oreoco First Vice-President, C. F. Grover, of Dilley, Second Vice-President, Wm. Proctor, of this city, Third Vice-President, J. C. Ryan, of Beaverton, Fourth Vice-President Miss Anna Taylor, Forest Grove.

A committee composed of Jas. H. Jack, Mrs. Skidmore and Miss Peachin, was appointed to arrange the programmes. A contest committee, B. W. Barnes, Jas. H. Jack and Miss Anna Taylor, was also appointed. The next meeting will be held at Hillsboro, December 7.

ACTIVITY OF WOMEN SHOWS RIGHT SPIRIT

Will Provide Gymnastic Apparatus for Use of Scholars at Central School Building.

Despite the heavy rain of Monday afternoon there was a large attendance at the meeting of the Woman's club of this city held at the home of Mrs. William Proctor. Plans were made for the furnishing of rugs to the Art room of the Domestic Science department of the Lincoln school, and the providing of materials for the manufacture of gymnastic apparatus to be placed in the play sheds of the Central school. The boys of the manual training department will construct the necessary trapeze, horizontal bars, and other essentials with which to equip the sheds, from these materials.

On Wednesday of last week, a number of the Club women met with Miss Clara West and organized the Domestic Science department, of which Miss West is leader. The first class meeting will be held in the Domestic Science rooms of the Lincoln school building at 2 o'clock Saturday afternoon, and it is requested that all who may desire to join the class be present at this meeting in order that they will miss no portion of the course. Miss West's lectures and demonstrations will last about two hours.

CHEMAWA WARRIORS LIFT SCALPS OF PACIFIC GRIDIRON GLADIATORS

The last football game of the season to be played by the Pacific gladiators proved one of heavy defeat, their opponents, the Chemawa warriors, gaining a victory by the score of 20 to 6. Both teams put up a strong battle and played fiercely throughout the halves, but the better interference on end runs and a more varied attack, combined with steadier fighting spirit, gave the spoils of war to the descendants of a once mighty people, wiping out the defeat of last year in this city.

BEAVERTON LABORER TIRES OF LIFE COMMITS SUICIDE WITH SHOTGUN

BEAVERTON, OR.—Sebastian Banz, laborer, age 51, committed suicide near his home in this city yesterday by shooting himself with a shotgun. He had made several threats to take his life on various occasions recently. He leaves a wife and seven children.

PROFESSIONAL FAILS TO THROW LOCAL ATHLETE

Welterweight Champion of Pacific Coast Meets Match In Tackling Home Boy.

In what turned out to be a somewhat spirited contest, Walter Arndt, welterweight champion of the Pacific Coast, failed to throw Roy Devlin, welterweight champion of Washington County as he had agreed to do, in one hour of time. The mat was spread in this city Wednesday night, and a good sized crowd of wrestling enthusiasts from Hillsboro and Forest Grove were seated about the platform when the principals entered the arena. Arndt secured the first fall in four and one-half minutes, using a leg head hold and a body grip. The Pacific Coast champion underestimated his adversary, however, and figuring that the second fall could be secured at will, played along with the idea of giving the crowd an exhibition. When the minutes began to disappear, he got down to actual work, but too late; the stalling had given Devlin time to get sound wind and a good rest, and he foiled every attempt of the coast champion to place his shoulders to the floor. Arndt worked hard and nearly succeeded in getting the decision several times, and in all probability, with several minutes more to go, would have been victorious.

A three round boxing preliminary between Frank Ely, of Hillsboro, lightweight champion of the Pacific coast in 1896, and an unknown, was quite spirited and gave general satisfaction.

OREGON ELECTRIC TRAIN AND AUTO COLLIDE IN STREETS OF PORTLAND

The 10:30 train over the Oregon Electric, out of this city Saturday morning, collided with an automobile at Tenth and Salmon streets, Portland, resulting in the breaking of the air connections between the cars, and damaging the headlights and mud-guard of the machine. Fortunately no one was injured. The train was proceeding very slowly around a curve at the time of the collision, and the auto ran into the space between the cars with considerable force. It is presumed the accident was due to the machine skidding, caused by wet pavements.

Miss Ethel Smith, who is teaching at the Watts District school, was a Portland visitor last Saturday.

ALL INDICATIONS POINT TO SUCCESSFUL CATHOLIC FAIR NEXT WEEK

The Catholic Fair which is to be given in Vert's Hall on Wednesday and Thursday, Nov. 20th and 21st, will be extremely good, if the earnest work of the ladies of St. Anthony's church is any indication. They are planning a dinner and supper for Thursday the 21st, besides having a bazaar with most beautiful and useful articles for sale. The Catholic Club will give an impromptu dance Thursday evening and there will be many and various amusements all the time. While this fair is primarily for raising funds for the church, the pleasure and enjoyment of all visitors will be looked after, and everyone is welcome. Admission will be free.

CITY TO MAINTAIN ALLSTREETLIGHTS

Action Taken At Meeting of Council Tuesday Night Quiets Contentions.

MANY BILLS ORDERED PAID

Extension of Time Will Be Given Paving Company In Which To Finish Street Work.

Forest Grove's City Council met in regular session Tuesday evening and transacted little more than routine business, adjourning at an early hour. The Warren Construction Co. presented a request for an extension of time upon their contract for paving, asking until May 1, in which to complete the paving of two blocks on First Avenue South, which had been delayed owing to the rain and the slowness of the railroad Company, whose tracks occupy the thoroughfare, in raising the grade. This was spoken upon favorably but referred to the city attorney for an opinion as to the effect it would have upon the contract and bond.

A petition from the local grange requesting the council to take action seeking to safe-guard the young girls of the city from undesirable characters was referred to the vice commission. The Washington-Oregon Corporation, through its representative, C. W. Hill, presented a proposition for the taking over of the city lighting plant, which was tabled with but slight discussion. It was arranged at this meeting for the city to keep in repair all streets lights, regardless of by whom erected.

The report of the city treasurer shows a balance in the general fund of \$2,837.61. In the Library fund \$364.85. Street bond fund \$1,322.43. Road fund \$963.48. Building fund, \$94.85. Bills to the amount of \$1,638.21 were ordered paid from the general fund.

CATHOLIC YOUNG PEOPLE GUESTS AT SAINT ANTHONY'S RECTORY

The young people of St. Anthony's Parish and missions of Cornelius and Gaston took possession of the Rectory last Thursday evening, and seldom have young people enjoyed themselves more. About forty were in attendance and music, songs, dancing and games were pastimes which seemed to make the hours fly. A delicious lunch served by the young ladies was the last in the course of "enjoyables." During the evening a club was formed to give parties during the winter. Committees were appointed to secure a place and music as well as to issue invitations. It is hoped by these parties to eliminate all public, as well as Saturday night dances, so prevalent at present.

PUBLIC SCHOOL BUILDING AT BANKS TO BE ENLARGED AND REMODELED

BANKS, Ore.—In accordance with the decision of a majority of the tax-payers of this district, expressed at the bond election recently held in this city, the present school building is to be remodeled and at least two rooms added. Owing to the inclement weather, actual work will probably not be undertaken until spring. When the contemplated changes have been made, Banks will have an up-to-date and modern school building in every way.
