Don't neglect the children's
musical education. It is a sin
for parents to neglect this part
of a child's education. Have you
a piano in your home to start the
little ones out on, who, if they
had half a chance, would turn
the gloom into sunshine for you
and others? I sell good reliable
pianos and sell them on terms to
suit you whether for cash, or the
smallest payment you can afford.
