

Like the roaring torrent of a flood, the creditors swept down on the
"PEOPLES STORE COMPANY" and forced it into
BANKRUPTCY

A large Force of Help for the last fortnight has been busy into the late hours of each night appraising and getting the stock out for immediate and quick disposal. Just one object in view, must be the aim of the appraiser and that is to close out the Stock and Fixtures and other assets in this big store, and draw the curtain in the last act of the once powerful PEOPLES STORE CO.

\$20,000 of the market's best merchandise to be strewn to the drifts of the winds at an unparalleled sacrifice. In the history of Hillsboro, or for that matter since the existence of the State of Oregon there has never been such an unbounded slaughter as this ever offered to the people
The Order Is To Sell-Sell

If the price means anything it goes without saying that this big stock will be wiped off the face of the earth, because the prices on the merchandise will be next to nothing.
