AT THE CHURCHES

Minister Holmes of the Christian Church found a very appreciative audience last Sunday evening when he gave a sermon on the Prophecies of Daniel, illustrating the address with splendid stereoptical pictures. He announced that he would use the lantern quite frequently from this on. An illustrated song is on the program for next Sunday night when he will speak from a large chart on "The Apostolic Church." Last Sunday night's audience was the largest he has addressed since coming to Forest Grove.
