

Mrs. William Blitz entertained the Yadrif Club on Monday afternoon. All the ladies were present and delightful refreshments were served.

Mrs. H. Parker entertained the Yadrif Club on Friday afternoon at her home in this city. All the ladies were present with their sewing.

Last Friday evening Mr. and Mrs. Hiram Gould were entertained at the home of Mr. and Mrs. J. A. Elder.

After dinner while all were enjoying a pleasant social the choir of the M. E. Church came to help entertain the guests. The surprise on the Directress, Mrs. Gould was complete. The evening was spent playing games after which dainty refreshments were served. In appreciation of their faithful and untiring efforts the choir presented Mrs. Gould with a beautiful gift.

**"A Curiosity"—"Unique"**—On Sunday morning in one of our representative churches the pastor in urging his congregation to be present on Tuesday and Wednesday evenings to hear Captain Stanley, the converted comedian, lecture on temperance pronounced him a curiosity. In another church Sunday evening another prominent pastor, after emphasizing the announcement, remarked, "You will certainly find him unique." We confess that both announcements created an interest to hear the orator, but we did not know how impossible it was for either of the clergymen to properly introduce him. He is simply in a class by himself. He spoke to large audiences. Those who were fortunate enough to hear him had a rare treat; those who did not, will never know what they missed; however, it is safe to say that by the time he covers the State there will be hundreds of women who will register and vote who probably would not have done so had they not heard him. He emphatically predicts that if the

women turn out in force that the entire State will be in the prohibition column.

#### Fortieth Anniversary

The fortieth anniversary of the marriage of Mr. and Mrs. Hute Johnson was held at the home of their daughter, Mrs. Jack Ladda. The surprise dinner given in honor of the couple was a complete success. Several parties from Portland were among the guests of the day. The reuniting ceremony was performed by Rev. Holmes, of the Christian Church. All joined in wishing the happy couple long and prosperous years.

#### College Party

Miss Margaret Jones entertained several college friends at home last Wednesday evening.

Mrs. McKenzie, Mrs. Ireland and Mrs. Haines entertained the ladies work society of the Congregational Church Wednesday. Refreshments were served and a pleasant time spent by all those present.

**Cupid is Challenged**—At the home of Miss Christine Mackrodt on Tuesday evening last, an organization known as the Bachelor Girls Club, was successfully launched. A constitution and by-laws were adopted and the following officers elected to serve the following year: President, Miss Christine Mackrodt; Vice President, Miss Florence Webley; Secretary, Miss Christine Mackrodt.

The membership consists of the business girls of Forest Grove limited to twenty in number, and the objects of the club are social and philanthropic. Although they are Bachelors they do not disdain the feminine art of fancy work. A heavy penalty is imposed if any member marries before the year is out. Dainty refreshments were served by the hostess and the girls departed feeling that the success of the organization was assured. The club is under the chaperonage of Mrs. Dorathy Seymour.

## All Around Town

**New Floor in Church**—A fine new concrete floor has been put in the basement of the Christian church as the first of a number of improvements that are contemplated for the near future. The kitchen is also being made about double its present size and will likely be used for the first time on Friday evening, October 3rd when a "free feed" will be given the members and their friends.

**Improves Stand**—The Automobile popcorn and candy car put in a new popper this week.

Mr. Holmes has made his own set of slides, coloring them artistically, and prepared his own digest of the story, so that a rare treat may be counted on.

**Wood Buying Season**—Many people are now storing their winter's supply of wood and the sawyers are kept busy all around town.

**Former Principal in Corvallis**—William Scott, who was formerly principal of our public schools, is teaching this year in Corvallis.

**Late Strawberries**—Mr. Ralph Fritz has been picking strawberries off his vines quite extensively the past week. Indications are that the land is sub-irrigated.

#### P. U. Notes

The regular opening reception of Pacific University was held at Herrick Hall last Friday night. The students and professors were in full force and many visitors were there from Forest Grove.

Last Saturday the College Y. M. C. A. held a stag party at P. U. Gymnasium and various athletic games were played. Among the most exciting was the game of water polo in which it was seen that there are some good swimmers at college this year.

The young men were addressed by President Bushnell, Principal Bates and Dr. Bean, on the various forms of Y. M. C. A. work in connection with college life. The last thing on the program was a watermelon spread which was enjoyed by everyone.

The first big rush for school books is now over.

The Hest livery barn is now in the hands of Wirak & Brown and has just been repaired and white-washed.

A beautiful cabinet made by F. M. Starrett and handsomely finished by Mr. C. A. Broadeson was presented in the M. E. church as a receptacle for the beautiful communion set recently presented to the church by Rev. and Mrs. Gould.

Several prominent society ladies have been instrumental in securing this concession on the part of the management of the theater. Mrs. Grady is improving and the doctors say that with a liberal turn-out Friday evening further help will not be needed.

**Congregational Church**—Sunday School 9:45 A. M. Morning subject by the pastor, D. T. Thomas, will be "Team Work." His evening subject will be "Echoes of Two Great Conventions." Junior Endeavor held at 3 o'clock in the afternoon. Intermediate and Senior Endeavors at 7 o'clock. There will be special music. All cordially invited.

**Foot Ball Team at Work**—Pacific foot ball boys began their training this week. The material is very weak and their chances against Willamette on October 11th are very poor. The new material so far is energetic but to light for college caliber. Captain Taylor is working hard to beat the squad into shape in double quick time.

**Van Koughnet Back**—Mr. Van Koughnet of Van Koughnet & Reder, returned home after a two weeks visit to Dakota to attend to business matters in his former home.

Oak Park, one mile west of Hillsboro on the Oregon Electric, will be the scene of German festivity next Sunday, when members of the German-speaking societies of Washington county will gather to hold the annual get-together meeting. Several important business matters will be taken up at the meeting. The most important of these will be the consideration of the proposition to amalgamate the Swiss with the Germans. Festivities of various sorts have been provided for. One of the big attractions is the appearance of a German band from Portland, which will render national and classical music, as well as other music. Preparations have been made to handle five hundred people on that day.

#### Give Musical Treat

Through the courtesy of Mrs. E. E. Williams, Monday afternoon, a few of the Forest Grove women were privileged to listen to a demonstration of the fundamental training system of music given by Mrs. Mary Cahill Moore of Portland, a teacher of wide reputation. This system is used in class work and certainly lays the foundation for a musical education which surpasses any of the methods previously used. So fascinatingly was the subject matter given to a class of children that even the "grown ups" were held in rapt attention.

A LISTENER.
