Backward, Turn Backward

Backward, turn backward, oh Time in your flight, give us a girl with skirts not so tight; give us a girl, whose charms, many or few are not exposed by too much peek-a-boo; give us a girl, no matter what age, who won't use the street for a vaudeville stage; give us a girl not too sharply in view; dress her in skirts the sun cannot shine thru. And give us dances of days gone by, with plenty of clothes and step not so high; put turkey trot capers and and buttermilk slides, hurdy-gurdy twists and wiggle tail glides. and other such bunny hugs all on a level as products of hell inspiren by the devil, and let us feast our optics once more on the pure sweet woman of the days of yore. Yes, Time turn backward and grant our request for God's richest b'essing but not undressed,-Yellow Jacket.
