

Our Progress of Late

On March 1st, 1913, the new firm of A. G. Hoffman & Co. began business. We have labored hard to make Our Store the best in Washington County and feel that our efforts have not been in vain, judging from the marked increase in our business and many complimentary remarks we hear.

WE are not inclined to "toot our own horn," however, we are highly pleased with the results, but not satisfied to rest with our present success, we are determined to give the people a still Better Service and Better Goods.

We give the S. & H. Green Trading Stamps on all Cash Purchases or Accounts Paid in Full in 30 Days.

We have the Premium Parlors where is carried an extensive line of S. & H. Premiums which are given away to our customers.

Last, but not least we will call your attention to our Bargain Department in the Rear of the Store. There you will find Exceptional Values in many lines. Don't fail to look it over.

SOME of the Strong Features of our store are the Hart, Schaffner & Marx line of Clothing; warmer Corsets; Francis T. Simmons Co., Gloves; Utz & Dunns, Red Wing, Lewis A. Crossett and Burley Stevens lines of shoes; Armor Plate Hosiery, Phoenix guaranteed silk hose; a fine line of Satin, Silk, Crepe de Chines, Velvets and Wool Goods for dresses, suits and coats. We are agents for the American Ladies Tailoring Co., and Mark G. Harris Co.'s line of Men's Clothing and are the exclusive agents in Forest Grove for the famous Chase & Sanborn's Coffee. Our Grocery Department is strictly up-to-date and always kept neat and clean.

Recently we have decided to Extend Credits Only 30 Days. In making this change we have carefully considered the question from all points and believe it the best for us and for our customers.

Even though a customer is perfectly good pay, unless we have some regular specified time for payment of his account, we do not know what to count on and hence have to borrow the money to handle the bills of goods we buy.

The generous patronage previously given us, we appreciate. We want you to continue it, and we want new customers also, and we shall make it worth your while to trade with us.
