

# All Around Town

**Left 47 Years Ago; Back on a Visit**—Scott Shorb, of Scott's Bar, California, has been visiting several days with his brother, Henry Shorb, of this city, and his sister, Mrs. C. S. Lafferty, of Gales Creek. He had not been here for 47 years, and it was a happy reunion, indeed, between himself and sister, whom he had not seen in all that time. Henry visited his brother a couple of years ago. Mr. Shorb has been mining for all the 47 years in the Siskiyou mountains and has made lots of money, but says that it has most all gone the same way. His stories of the early days of mining in California are very interesting.

As a natural consequence the Press will be sent to his address from another year.

**Winning Dry Votes at Wet Sherwood**—S. W. Grathwell, the Pacific University orator, who is doing state work on the stump for the Prohibition party, receiving enthusiastic encomiums from the press for his silver tongued work. He spoke recently at Pacific College, Newberg, as well as doing regular work in the town. At Sherwood the News Sheet gave him good space and said that

the P. U. orator handled the prohibition question so successfully from an economic standpoint that there was no loophole left for a successful contradiction.

**Former P. U. Professor Helping Raise \$200,000 for Albany College**—Prof. William Duncan Ferguson, who formerly resided in this city as financial secretary and professor of Biblical Literature at Pacific University, was here Saturday on business. He is now with Albany College doing similar work and has just returned from Pittsburg, Penn., where he has been soliciting money for the Albany College. He stated that the opening up of the steel plants there has loosened up money matters and soliciting is not so difficult as it has been. Albany College has an offer from James J. Hill, the railroad king, of \$50,000, provided they raise \$200,000, and that amount has been subscribed and all but a small amount paid in. So the big sum from Mr. Hill is forthcoming. Prof. Ferguson leaves again soon for the East.

**Improved 100 Per Cent by Oregon Climate**—Mr. and Mrs. N. M. Hatfield and children of Oskaloosa, Iowa, have been spending several days visiting at the home of Mr. and Mrs. E. L. Cummings, of the Thatcher section. On their way West they visited friends in Montana, but the high altitude did not agree with Mr. Hatfield and so they hastened to the grand old climate "Where rolls the Oregon," and Mr. Cummings says that his nephew, Mr. Hatfield, looks 100 per cent better than he did when he came. The Oregon climate did it. They like Oregon fine, but are loyal to Iowa.

**It's the Fashion**—Six operations for appendicitis have been performed at the local hospital within the past week. Those of our city were: Claude Davis, Herman Sondermeier, Walter Watkins, Pearl Duncan, Miss Price, of Walla Walla, Wash., and Mrs. McCleod, of Gaston.

## CHEMAWA INDIANS TRIM PACIFIC IN BASKETBALL

### Collegians Get Small End of 22 to 18 Score at Chemawa

In revenge for the walloping which the Pacific University football team gave the Chemawa Indians here last fall the basketball redskins got away with the scalps of the local collegians at Chemawa last Saturday night.

The Indians were not so long on team work as they were on speedy, dashy individual effort. Two of their baskets were great surprises to the collegians, when the redmen dashed between the Pacific men as they passing the ball, intercepted the oval and shot baskets. In the by and large the game was not so swift and terrific as the McMinnville-Pacific game here which resulted in a score of 28 to 26 in favor of the locals.

Goodman, who has not been playing regularly, was one of the star tossers of Pacific with eight foul and one field basket to his credit. Arthur Ireland shot four baskets for the locals. Downie was the bright, particular star for Chemawa, making 10 points.

In the first half Pacific had the redskins going south all the time, and when the whistle put a stop to that section of the scramble Chemawa had the small end of 13 to 10. However, in the second half the college chumps were out distanced. The Indians have won all their games on their own floor this year and lost their visiting games, and Pacific hopes to trim them when they come here Friday, February 6.

Friday, January 30, Pacific U. will play the Pacific College aggregation at Newberg. The lineup that met Chemawa was as follows: Robinson, c; Goodman, f; Ireland, f; Abraham, g; Taylor, g; Burlingham, g; Jim Rasmussen, utility man, and Coach Skarvedt accompanied the team. Thompson of the Portland Y. M. C. A. refereed the game.

### Many Will Attend Commercial Club Banquet

A large crowd of business men, farmers and friends of Forest Grove are expected to attend the big get-together meeting and banquet to be given by the Commercial Club at the Forest Grove restaurant Friday night, January 30. The crowd will gather at the First National Bank at 7:30 and proceed to the eating house.

So many things are going on that the attendance will not be so large as it otherwise would. Among the different things going on are the Methodist Brotherhood; the Forest Grove High-Newberg High basketball game; Catholic dance; Modern Woodman banquet and the moving picture show.

### Revival Meetings

A special revival campaign begins at the First M. E. church next Sunday continuing indefinitely every night at 7:30 except Saturday night. Dr. Dunlap who has had wide experience in evangelistic meetings will be his own evangelist. Mr. Isaacs, a sweet gospel singer will have charge of the music. A special feature of the music will be the solos by Mr. Isaacs. You will find it worth while, if you plan to attend these meetings. The co-operation of Christian people of other denominations is greatly desired. Cottage prayer meetings are being held this week and a good interest is manifested. Some have already started in the Christian life.

**W. L. Cady Returns from California**—W. L. Cady, the real estate man, who has been spending several months in Los Angeles, the guest of his mother and sisters for several weeks, returned the first of the week from the Southland. His mother accompanied him home and will remain here until fall. On the way down Mr. Cady visited at the home of Mr. and Mrs. John Hartley. He enjoyed the trip very much, but was glad to get back to Oregon. In the Imperial Valley he found crops fine and barley heading out.

## ROSE MAIDEN CHORUS SCORES BIG SUCCESS

Last Friday night the music lovers of the college and city gathered in Marsh Hall to hear "The Rose Maiden," one of the best musicals that has been heard in Forest Grove for some time.

A chorus of 60 voices, composed of both High School and College students who have been practicing under the direction of Prof. F. T. Chapman for the past three months, was assisted by popular soloists of Portland.

"The Rose Maiden" is a story of flower life adapted from the German in which the Queen of the Fairies begs to be given the gift of love which man has. Spring yields to her entreaties and changes her to a beautiful girl, in which form she goes into the world to search for the love she deserves. She finally becomes the wife of a forester. The cantata closes with the elves bewailing their loss and cursing such love as fatal to their peace and happiness.

The first chorus which was very soft made a fitting prelude to the beautiful duet sung by Miss Goldie Peterson and Mr. McGuire, the voices of the two singers blending perfectly. Miss Peterson in her solo was at her best and was much appreciated, as she always is, by her hearers. Mrs. Henney was master of her solo and her strong well trained voice of such dramatic qualities will not soon be forgotten by the people of this city.

Mr. McGuire has a powerful voice and his audience was more than pleased in hearing him.

Mr. Patterson as tenor soloist showed great ability in his solo and in the tenor obbligato and final chorus was a fitting close for the cantata.
