To Destroy Clover Pests

Washington, March 6.—Representative Hawley has had incorporated in the agricultural appropriation bill an \$11,000 item for next year for the station of the bureau of entomology at Forest Grove, Or., an increase of \$5000 over last year.

The increase is allowed largely for the purpose of making a study of means for eradicating two enemies of clover now active in the Willamette valley, the "midget" and the borer, one preying upon the seed head and the other on the root. The appropriation is available generally for investigation in cereal and forage crops.

W. C. T. U. COLUMN

Mrs. K. B. Penfield, Editor

Mrs. Rachel Hoskins, president of the Washington County W. C. T. U., is in Portland attending the semi-annual state meeting which is being held at the Centenary Methodist church Monday, Tuesday and Wednesday of this week. At this meeting an open forum is held and "all women's organizations may present their pet schemes" says State President Mrs. Kemp. "Probably there will be many things said that the Union wouldn't stand back of, but every body will be heard."

Women on juries' rights of illegitimate children, movie censorship, and other problems that are being threshed out. Oregon women will decide what laws they want and then can determine what members to send to the legislature.

"Jury Service for Women" is Senator S. B. Huston's subject. Judge W. N. Gatens has charge of the subject of "Legislation to Protect Illegitimate Children." "Just Property Division Between Husbands and Wives," is treated by Mrs. Helen Miller Senn. Patent medicines which claim more than they can fulfil, cigarettes from the standpoint of business men, national censorship for movies, good roads, care for blind and other defective children and many other subjects are matters under discussion.

Attorney General Brown was one of the speakers at the banquet held at Centenary church Monday evening.

A well attended regular meeting of the W. C. U. held with Mrs. Penfield on Friday, March 3rd made partial arrangements for the observance of Neal Dow's birthday on Monday, March 20th, by an open meeting at which it was hoped to secure some local pastors and others as speakers, with special music.

The old guard that worked side by side with Neal Dow, Frances Willard and others have all passed on and the rank and file of their followers is fast passing. So if we wish to leave behind us a grand army of the rising generation to take up work we must lay down, we must observe these natal days. Then, too, this is our first year of jubilee in Oregon following the vote for prohibition.

Political Announcements

For Circuit Judge of the Nineteenth Judicial District
W. H. HOLLIS

I am a candidate for nomination to the office of Circuit Judge of the Nineteenth Judicial District, composed of the Counties of Tillamook and Washington, subject to the Republican Primary election to be held May 19th, 1916.

I am a resident of Forest Grove, in said Washington County, and have been an attorney for thirty years, am admitted to practice in all the courts of this state and of the Federal Courts of the United States for the district of Oregon.

I have been a lifelong republican, but in the discharge of public duties have always held the interest of the people above that of party or politics, and that the judiciary should never be swayed by partisan influence or party prejudice.

I have ever stood for rigid economy in the expenditure of the people's money. The burden of taxation is increasing out of all proportion to the benefits received, increased wealth or ability to pay.

If nominated and elected I will administer the business of the courts of this district justly, promptly and with the least possible expense to the taxpayers.

Less litigation; less expense; less delay and more justice shall be my aim. Your support is respectfully solicited.
W. H. HOLLIS.
