### Christian Endeavor Convention

The annual convention of the Washington County Christian Endeavor Union, held in Beaverton Saturday and Sunday was an unusually inspiring and interesting session. The program, as planned, was carried out with only a few slight changes. Every part of the convention lasting through the two days was alive and worth while, and the delegates came back with much enthusiasm and a determination to carry on more efficient work in their local societies.

Those going down from here on Saturday were: Ogden Ashley, Lulu Holmes, Elizabeth Potwin, Annabe F. Taylor, Joy Aydelott, Helen Phillips, Evelyn Patton, Sadie McCoy, Kate Roe, Elizabeth Seymour, Ernest Dye, Edna Crosby, Bernice Miller, Liola M. House, Winston Ashley Charles B. Roe, Ruth Haines, Rev. O. H. Holmes, Thomas R. Roe, Claude M. Hutchens, A. E. Hussey, Edwy Dibble, Oval Hutchens, Clarence Lenneville, Frank Burlingham and Julian Ryan.

The superintendents are Ernest Dye, efficiency; Elva Head, quiet hour; Ruth Haines, junior and intermediate. Bonnie Weisenbach is chairman of the Lookout committee and Hannah Bergstrand of the missionary committee.

### HIGH SCHOOL NOTES

#### Against Further Restrictions

The debate between the two Sophomore English classes last Friday night was well attended. The question was—"Resolved, That Immigration Should Further Be Restricted in the United States."

Those on the affirmative were Earnest Dye, Clara Nelson and William Martin, while those on the negative were Evelyn McFeeters, Lyla Short and Mable Patton. Frank Burlingham coached the affirmative and Ruth Patton the negative. Mr. Inlow and Mr. Murphy coached in delivery.

The judges were, Prof. Lennard, Miss Penfield and Mr. Duyek. The decision of the judges was two to one in favor of the negative.

Tuesday afternoon, March 28, Dr. DeBusk talked to the pupils of the high school. His subject was based upon the relation of the physical condition of the individual to his mental efficiency, with special reference to school work. Dr. DeBusk was brought here under the auspices of the Parent-Teacher Association.

The boys are beginning track work and it is hoped that they will soon be able to have some good meets.

The baseball boys are planning for big results this season and have begun work on the grounds, so that they will soon be able to get in and practice and have some good games.

Ruth Patton substituted at the Central school in Miss Norton's place last Friday.

Russell Morgan of Hillsboro, was visiting the high school Monday.

"The Warning," a smashing five-reel temperance picture, at the Star Friday and Saturday; 5c and 10c.

## Pacific University

The last and most popular number on the Lyceum Course was presented last Thursday evening before a full house. Owing to a train wreck on the Tillamook line the entertainment could not be given on Wednesday evening as advertised. Totten & Company, celebrated magicians, kept the house in a continual uproar of laughter as chickens, pigeons, eggs, bottles, handkerchiefs and other thing appeared from the most unthinkable sources. Other even more baffling tricks were performed. The audience was spell-bound throughout the entire program because of the marvelous cleverness of the program.

The new officers of the Y. W. C. A. are as follows: President, Ruth Haines; vice president, Alvena Howard; secretary, Helen Brunner; treasurer, Leone Graham.

The Y. M. "stag" party held in the gymnasium Saturday evening was greatly enjoyed by the young men of the college. The social committee headed by "Hap" Morgan did good work in planning the entertainment. The evening passed only too quickly in playing volley ball, indoor baseball, and in running relay races. Strawberry and pineapple sherbet, sandwiches and cookies were then served. While the attendance was not what it should have been, all present had a grand time.

On Friday evening at Herrick Hall the Kappa Delta society entertained their guests at their annual party. The large parlor and the dining hall were beautifully decorated with ivy, fern and flowers for the big event. A most enjoyable entertainment was provided in which all could take part. The merry party formed in couples and marched to the dining hall for the banquet feast to the march played by the orchestra. The serving was done by fairies with wings protruding from their shoulders.

Prospects are good for a successful baseball season, but the track team does not look so promising. The most of the baseball players of last year are back and some very promising material is being developed from the new men. The only serious loss is "Art" Ireland behind the bat and Tupper in the outfield. Bernard and Fowler are both good catchers, so that place will be cared for. There are a number of good men working for positions in the outfield, so it is hoped that a strong team will be developed. A schedule of seven games has been arranged, two each with Pacific College, McMinnville and Mount Angel, and one with Willamette University.

A delightful party was given Tuesday evening in honor of Miss Tucker, who left yesterday to accept a position in Portland. Miss Tucker has made many good friends here and she will be missed by the entire student body.

The concert given last evening at Marsh Hall by Prof. Chapman and Miss Van Dyke was greatly enjoyed by those attending, though the attendance was not what it should have been. Prof. Frank Thomas Chapman has devoted the greater part of his time to teaching for the past few years, but he is one of the most accomplished violinists on the coast. He was ably assisted by Miss Van Dyke, a pianist of rare ability.

spend it in Forest Grove, and you have a very good chance of seeing it again; you may even handle it again. Even if you never see it again, some of your neighbors will get it and use it to build up Forest Grove and Washington county. No matter whether you need groceries, clothing, shoes, automobiles or

Or, if you think you have some reason for not patronizing the Express, take your work to the other local office. Either will do more for Forest Grove than some printing concern outside the city or county.
