DILLEY NEWS NOTES

Mr. and Mrs. J. S. Pierpont will move to Forest Grove next week, to be nearer his work.

Riverside Grange meets in regular session on Friday, May 12th. Thirty-five candidates will be given the first and second degrees. All Grangers welcome.

Mrs. Louis Misz entertained the G. L. R. club at her cozy home in Forest Grove, last Thursday. The rooms were attractive, with purple lilacs, double narcissus and clusters of wistaria, all artistically arranged in baskets and vases. Three tables were arranged for "500," card honors falling to Mrs. Ben Ward of Gaston, Mrs. H. B. Watson of Forest Grove and Mrs. Ross, Mrs. A. A. Hall and Miss Pearl assisting the hostess with the refreshments. Those enjoying the afternoon were Mrs. Ben Ward of Gaston, Mrs. Roy McBride, Mrs. Frank Crowthers, Mrs. F. M. Sutford, Mrs. James Pollock, Mrs. Herman Saling, Mrs. J. W. Hughes, Mrs. C. A. Brodersen of Dilley, and Mrs. S. Hatfield, Mrs. Ross, Mrs. H. B. Watson, Mrs. A. A. Hall and Miss Pearl Hall.

Mrs. Henry Wolf was shopping in the Grove Saturday.

Mrs. Herman Schultz of Portland spent the week-end with her aunt, Mrs. F. M. Sutford.

Mrs. W. S. Vanmeter and Mrs. Groendyke were Grove visitors Saturday.

Mrs. Frank Crowthers and Mrs. Henry Hecox went to Cherry Grove on Saturday to visit with their husbands, who are working in the mill at that place.

Miss Neta Tatoo is home again after an extended stay with friends at North

Yamhill.

We regret to hear of the serious illness of Mrs. Mike Boyd. She was taken to a hospital in Portland last week.

F. M. Sutford is having some fancy chicken houses built. J. T. Eckley of Portland, is doing the work.

Mrs. Tom Hundley was able to leave the hospital and return to her home last Sunday. She came through the operation fine and is glad to get home.

J. N. Hoffman last week purchased what is known as the Laura B. Stokes place, three miles southwest of Gales City, containing 160 acres. Mr. Hoffman contemplates planting the place to English walnuts.

Mrs. Allan Rice is in a Portland hospital, where she has submitted to an operation.

Pacific University

May Day Exercises Friday

Tomorrow the annual May Day festivities of Pacific University will be held. Festival plans this year have been fuller and better worked out than ever before. The exercises on the campus will begin at 10 o'clock with the procession and the crowning of the May Queen, Miss Marie Wells. Miss Wells will be attended by four Maids of Honor, flower girls, a crown bearer and a train bearer. Mr. Dibble, president of the Student Body, will act as Herald. Then will follow the Colonial costume and Folk dances. The May pole will be wound in yellow and white, which are to be the prevailing colors of the happy occasion.

In the afternoon there will be a baseball game with the team from Mount Angel. The return game with Pacific College, scheduled for this date, had to be postponed. A bower will be erected in the grandstand where the Queen and her attendants will sit to witness the game.

At 8 o'clock in the evening the May Day play will be given in Marsh Hall, to which the public is also welcome. The play is "The Romancers" by the noted French playwright, Rostand. There are three acts in the play, each of which contains not only romance, real or attempted, but humor that is sure to amuse and entertain.

An added attraction of the evening's program will be the "Highland Fling," which will be presented by six dancing girls in Scottish costumes.

A couple of days before the May Day exercises at McMinnville the faculty decided to give the students a holiday on Friday provided enough students accompanied the baseball and track teams to charter a special car. "Hap" Morgan took the matter in hand and the necessary number was guaranteed. Although it rained a good part of the time, those who went to "Mac" report a good time.

The baseball game was in the forenoon. For the first time this season P. U. lost. The final score was 3 to 2 in favor of the Baptists. While the score indicates that the

two teams were almost evenly balanced in playing ability, it is only fair to state that Webb, P. U.'s lone pitcher, was greatly handicapped by the wet balls, as he is not a "spit ball" expert; while the McMinnville pitcher, Brown, uses the "spit ball" a great deal. The advantage of the rain gave the "Mac" players is obvious. In the track meet in the afternoon the two colleges tied for honors, each making a total of 61 points. Lucas, P. U.'s star all-round athlete, was easily the star of the track meet. Considering the wet condition of the field P. U. was lucky to get what she did in both contests.

A good number turned out last Friday evening to hear Rev. Fenenga give his illustrated lecture on "The Castles of the Rhine."

One of the nicest programs given at the college this year was the graduating recital given last evening by Miss Freda Acker, mezzo-soprano, and Miss Elida Loynes, pianist, with Miss Margaret Keep, accompanist. Miss Alvena Howard played the orchestral parts on the second piano. A full house enjoyed the beautiful renditions of vocal and piano music by these promising young artists, who graduate from the Conservatory of Music, under the direction of Prof. Frank T. Chapman.

Manager Hoffman of the Star Theater has, at considerable expense signed up for the Triangle film service four nights a week. This service begins tomorrow afternoon at 2:30, with "Peggy" as an eight-reel feature. The same film for two shows in the evening—the first at 7 and the second at 9 o'clock. Matinee prices, 5c and 15c; night, 10c and 15c. Miss Billie Burke is the star actress in this production.

James Cronin, of San Francisco, son of Mr. and Mrs. P. W. Cronin, visited with his parents here over Sunday.

Harry Brodersen, son of Mr. and Mrs. C. A. Brodersen of near Dilley, who has been a semi-

invalid for several years, is now able to walk with the aid of only a cane, since a recent operation at a Portland hospital.

Miss Manche Langley last week spent several days in Portland, assisting her brother L. L. Langley, in the trial of a case in the federal court, the action being for damages asked by the mother of a boy who was drowned off the "J. N. Teal" in Snake River. The Langleys were appearing for the mother and obtained a judgment in the sum of \$5,500.
