

"Hello! When can I get a statement of my account, including today's deposits?"

**"Your statement will be ready in five minutes"**

This is real, up-to-the-minute bank service—the kind of service we are prepared to give you.

The Burroughs Book-keeping Machine used in our accounting department enables us to keep a statement of each customer's account with entries made right up to date all the time.

Any time you want a statement of your account in a hurry, it is ready for you.

Instead of leaving your pass-book to be balanced, a neatly-printed,

accurate statement (together with your cancelled vouchers) is ready for you not later than the first of every month. The statement shows all checks and deposits and a balance you know is right.

Your pass-book remains in your possession all the time—a permanent receipt for all deposits.

We are sure that this up-to-date service will meet with your approval.
