TROOPERS RELEASED, CLASH POSTPONED

Washington, June 28.—An immediate break between the United States and the de facto government has been averted by compliance with the American demand for release of the 23 troopers captured in a fight at Carrizal.

Whether a state of war has been prevented or merely postponed no one here would attempt to say tonight. Official information as to the attitude of General Carranza was lacking. Until his response to Secretary Lansing's note, dispatched Sunday, making two peremptory and distinct demands, is received, there will be no decision on whether President Wilson shall lay the crisis before Congress.

San Antonio, Tex., June 28.—General Funston received tonight a report from Brigadier-General George Bell, jr., at El Paso, which stated General Bell had been notified by Mexican Consul Garcia that the American prisoners taken at Carrizal are now on their way north to Juarez and probably would arrive there tomorrow morning.

Says It Means Extermination

El Paso, Tex., June 28.—"All the good people of both countries ought to get together and work for peace, for this war, if it comes, will be hell on earth while it lasts—and it will last a long time," Andres Garcia, the Mexican Consul at El Paso, said today. "The United States will have to face a united people, and a people determined to fight to the last ditch. Besides, we have more than 200,000 veterans, trained to a style of warfare that makes the best use of our peculiar natural conditions. The Americans will encounter heavy losses in exterminating the Mexican people; for that is what the war would be."

Doctors Wanted

Washington, June 28.—Additional medical men to examine refugees from Mexico and to care for Mexican prisoners in event of hostilities are being sought by the United States Public Health Service.

Examinations for physicians and surgeons will be held in the principal cities of the country probably early in July, it is announced.

Oregon Boys Enroute

Camp Withycombe, Ore., June 28.—(Special)—Six hundred more Oregon troops are speeding south tonight, with right of way over all trains between here and San Diego, Cal., for duty on the Mexican border.

They are moving as two contingents, in separate trains, one bound for Calexico, Cal., right on the frontier, and the other for San Diego, where the Third Battalion of the Oregon infantry, which entrained yesterday, is preceding them.

The troops moving today comprised Battery A, Field Artillery, for Calexico, which entrained first, and the Second Battalion of the Third Infantry, with Troop A, Cavalry, for San Diego.

Forest Grove Boys to the Border

In addition to the Forest Grove boys who were members of the National Guard when the mobilization order was given, at least a half-dozen have enlisted within the past ten days. Three—Richard, Louis and William Bush—went from one family, leaving for Camp Withycombe Saturday and since that date Roy Devlin and Ross Beckwith have enlisted and Alvin Brown says he will enlist.

Everybody Leaving Town

Forest Grove will be practically deserted next Tuesday, unless the weather man sends us another batch of bad weather, for those of our people who have not planned to go to Hillsboro, Balm Grove or some other place where a celebration is being held, will take to the woods for picnic dinners or chase the elusive trout in his damp haunts.

Many of our people will make two days of it, going to Hillsboro Monday and to some other point on the Fourth.

More Fish for Washington County

T. J. Craig, fish car superintendent for the state fish hatchery at Bonneville, accompanied by his assistants, last Tuesday brought to this city and transferred to the feeding ponds near Gales Creek 200,000 young trout of the Steelhead, Eastern Brook and Rainbow varieties. There were 175 cans of the little fellows and three trips with a big dray were required to take the fish to the ponds, where they will be fed for two months before being liberated in the streams of Washington county. Another consignment of equal size is expected early next week. E. W. Howell will look after the little chaps for two months, by which time they will have developed to a point where they can, to a certain extent, take care of themselves. By this time next year most of the fish now being planted will be of the length of six inches, when they may be legally caught.

Loganberry Juice Will Be Canned

The Hoffman Evaporator of this city has during the past month been equipped to extract, sterilize and can loganberry juice and Manager Hoffman informs the Express that by the first of next week the plant will be ready to handle the big loganberry crop that has been raised this year. It was expected to begin extracting this week, but the chilly weather has kept the berries from ripening as rapidly as if the weather had remained warm.

Poultry Judge Selected

The Washington County Poultry Association has engaged J. C. Murray of Portland to act as judge of all poultry exhibits at the Washington County Fair. Mr. Murray is a licensed judge and has officiated in this capacity in Washington county before.

The Governor at Hillsboro

The secretary of the Hillsboro Commercial club informs the Express that Governor Withycombe has accepted an invitation to address the people of Washington county at the Hillsboro Fourth of July celebration. You are all invited to Hillsboro July 3 and 4.

There will be a Tru-Blu demonstration at the A. G. Hoffman grocery the remainder of this week—Thursday, Friday and Saturday. Come in and sample the Tru-Blu products. It

The marriage of Mrs. Mary Gray Ralston and Mr. James E. Deeks took place last Thursday evening, June 22, at 6 o'clock, at the home of the bride. The bridal party entered to the strains of Lohengrin's wedding march played by Miss Alice Gray Ralston who also accompanied Mrs. VanAntwerp who sang "I Love You Truly." Refreshments were served.

After the ceremony, Mr. and Mrs. Deeks left for a short trip, but they are now at home to their friends at the Deeks home, corner First street and Fourth Avenue South.

Gladys Todd Married

Miss Gladys Todd, daughter of Mr. and Mrs. A. B. Todd of this city, was united in marriage with Ernest DuBois of Vancouver, Wash., in that city on Wednesday, June 21st, Rev. Collier performing the ceremony in St. Luke's Episcopal church. The bride has been teaching in the city schools of Vancouver for the past five years and is considered one of the most efficient members of her profession. The groom is connected with the DuBois Lumber company and is a young man of good character and excellent prospects.

The father, mother and brothers and sisters of the bride motored to Vancouver Tuesday to attend the wedding, returning home Wednesday evening.

After a wedding trip to Seattle and other cities, Mr. and Mrs. DuBois will be at home to their friends at Vancouver.

A Sawmill Owner Accidentally Killed

Between 8 and 9 o'clock last Friday morning, while Watt A. Hall, owner of a sawmill near Manning, was engaged in trying to start a log jam in the rollway near his mill, the logs rolled upon him, crushing out his life instantly. Deceased came to Washington county last March from Trout Lake, Wash., where he had operated a mill for twelve years, and purchased the Oakes & Carnahan mill. He was 43 years of age and leaves a widow and six children, residing near the mill; a father and mother, also ten brothers and four sisters. The body was shipped Saturday to Battle Ground, Wash., where the funeral was held Sunday.

Mr. Hall was a good citizen and the members of his family have the sympathy of all their friends and neighbors in their great loss.

BURGLAR PEPPERED AND PUT TO FLIGHT

Laid to Rest

The funeral services for James M. Enschede, mentioned in last week's Express as having died suddenly at Stevensville, Mont., were held at the family residence in this city at 10:30 Monday morning, Rev. Dunlap of the M. E. church officiating. The Masonic burial service was carried out at the grave, W. H. Hollis taking the principal part. The pall-bearers were E. W. Haines, C. L. Bump, J. H. McFeeters, A. E. Scott, H. E. Inlow and J. C. Latta. Interment was in Forest View cemetery.

James M. Enschede was born in Holland May 1, 1850, and died at Stevensville, Montana, June 21, 1916. Deceased came to America when thirty years of age. In 1884 he was united in marriage with Sya A. Van Cross, who survives him. With his family, he came to Forest Grove from Alabama seven years ago, during the greater part of which period he has been employed as horticulturist for the Bitter Root Valley Irrigation company at Stevensville. The family was left in this city to permit the children to enjoy the educational advantages of the local schools.

A widow and seven children are left to mourn the sudden demise of a devoted husband, a kind father and a good citizen, the children being W. J. Enschede of Hood River, Robert, who departed ten days ago for Ketchikan, Alaska, Florence, Rhoda, Martin, John and Ruth, the last-named five being at home with the mother.

Card of Thanks

We desire to express our sincere thanks to all our friends and to Holbrook lodge, A. F. & A. M., for their sympathy and assistance at the death of our beloved husband and father.

MRS. J. M. ENSCHEDE
AND FAMILY.

Miss Emma Penfield, Miss Bagstad, and Mrs. A. U. Marsh and daughter, Arlington, went Tuesday to Rockaway Beach, where they will spend their vacation in Miss Penfield's cottage. Miss Bagstad gave an entertainment in the Rockaway church Wednesday evening.

Tuesday the Dibble family started for their new home in North Dakota. They made many friends during the few years of their residence here and will be greatly missed. A farewell tea was given in honor of Mrs. Dibble by the Congregational Ladies' Bible Class, Thursday afternoon at the home of Mrs. Connett.

J. W. Hughes sold on consignment yesterday at Portland 68 head of pure bred Jerseys for the Columbia Jersey Cattle club. Monday he sold for Ben Ward of Gaston 18 head of graded Jersey cows and secured good prices. He reports that grades are bringing much better prices in this section than in any other part of the Willamette valley.

Judge Hollis and daughter, Mrs. Howes, and Mr. and Mrs. C. O. Roe took the Columbia highway trip last Sunday.

On Saturday night just a few minutes before ten o'clock as Arthur Caples was returning home from his store, he saw a light flash in the back part of his house. He immediately guessed the light to be made by an invader, as the family is sojourning in Astoria.

He ran the remaining distance to the house, entered the front door, and as quickly and quietly as possible, reached the dining room, where his shotgun was kept. He then proceeded into the kitchen, which act took some bravery, considering he knew not the number or position of his foes. He calculated that the marauder, if alone, would have to both hold the light on him and shoot, and Mr. Caples figured upon making it interesting for him in the meantime.

Apparently the burglar ducked out the kitchen door when he heard some one enter the dining room, so Mr. Caples followed on to the back porch and into the yard and saw the figure of a man rapidly retreating through the back yard.

He was called upon to halt, but, as he did not do so, Mr. Caples fired. An object fell to the ground, but immediately afterward a moving figure could be seen still retreating, so the contents of the shot gun were thrice more discharged in that direction.

Mr. Caples then hastened to the nearby home of Mayor Paterson and told him to watch that street. When they returned to the spot where the thief had been at the time he had apparently fallen, his package of loot lay on the ground in a condition indicating the miscreant's sudden decision to leave it.

A dish towel, which had been simply carried by its four corners, and containing Mr. Caples' silverware, field glasses and various small pieces of jewelry, contained numerous holes made by the shot, and some of the pieces of silver were dented by it. The nearby fence also bore unmistakable signs of something having happened.

Sheriff Reeves was notified and came early Sunday morning and made an examination of the surroundings. He has notified neighboring sheriffs and peace officers to be on the look-out for a man carrying a handful of No. 6 chilled shot sprinkled over his person.

Sheriff Reeves has followed up several clues, but this morning informed the Express by phone that he had not yet been able to fix the burglary on anyone. He still has hopes, however, of finding a man marked with shot.

Fred Ristman, the jitney driver who was murdered presumably by the passenger he was driving through a lonely, wood-lined road near Tualatin, May 15, left an estate of the value of \$3500, according to the petition for letters of administration filed yesterday by his widow, Mrs. Minna Ristman, in the County Court.—Oregonian.

Tomorrow (June 30) is the last day on which premiums will be given for S. & H. trading stamps. Bring in your stamps quick.
