SOCIAL NOTES

On Thursday evening last the Azalia club held a moonlight picnic on the lawn at the home of the Misses Belle and Dee Darling. A few lanterns and electric bulbs, with the trees for a back ground, made a delightful place for a picnic. At 6:30 a bountiful repast was spread, with coffee made over a camp stove. All enjoyed it as only an out doors meal can be enjoyed. There were fourteen present. The unlucky number was avoided by having Miss Winnifred Littlehales and little Queen Moore as guests. Lively games were played and all went home voting it one of the pleasantest times of the season.

Mr. and Mrs. E. E. Williams last evening tendered a reception to thirty-four couples of their friends, the event being in honor of their son, Sergeant Ray T. Williams, and bride of California. The dining room was decorated in green and white, the refreshments were delicious and, all in all, the function was one of the most enjoyable given in the city this season.

On the evening of Sept. 13th twenty of the friends of Miss Rhoda Enchede gathered at the Geiger home and marched in a crowd to the Enchede home for a miscellaneous shower surprise on Miss Rhoda and in the way of a surprise it was a complete success, as well as a social feature. The presents were in suit cases and the guest of honor was allowed to unclasp the cases and abstract the gifts herself. The gifts were of two colors only—blue and white. After a pleasant hour at various games, refreshments of ice cream and wafers were served and the invaders took their departure. Those taking part in the surprise were Mesdames A. E. Gardner, Walter Chalmers, R. E. Dunlap and E. O. Buxton and Misses Ruth and Grace Haynes, Marcella Richards, Zola Kirry, Leone Graham, Ava Carlyle, Constance Geiger, Edna Mills, Margaret Marsh, Elida Loynes, Cora Miltimore, Florence Littler, Jessie Reynolds and Edith Meroft of this city and Miss Elizabeth Briggs of Dilley and Miss Ruth Harris of Hillsboro.

Mrs. George G. Paterson last Friday afternoon entertained a half hundred ladies at a sewing party, serving a very tempting lunch during the course of the afternoon.

Mrs. Sanford Large of this city directed and played in the Portland society success, "Veda, The Vampire," showing at the Star-Theater next Tuesday evening.

Increased Attendance in Schools

The local public schools opened last Monday with an attendance of 572, an increase of 54 over the opening enrollment of last year.

The principal increase is in the high school where there are 214 students now enrolled compared with 154 at this time last year. Many students from the outlying districts are taking advantage of the new school tuition law and are coming to Forest Grove to attend high school. The new high school building erected only three years ago is crowded to its capacity and further accommodations must inevitably be provided within a year or two. This can probably be done by a rearrangement of the interior of the building with perhaps a temporary structure for use as a gymnasium and assembly hall.

Mr. Dopp, who is to have charge of commerce and study supervision, is unable to attend to his duties at present owing to illness. His place is being filled temporarily by Miss Hale, who until recently was employed as commercial teacher in the schools of Boston, Mass.

Be sure and see "Veda, The Vampire," at the Star Theater next Tuesday night.

Charley Odell writes the Express from Vinton, Iowa., where he and his sister, Mrs. Showers, are visiting friends, that frost is an every night occurrence there. They expect to start for home Oct. 2d.

As is our custom, we will close our store out of regard for Children's Day at the county fair, so our doors will be closed tomorrow (Friday) from 11 a. m. to 4 p. m.

They Are Real Prize-Winners!

Some people have an idea that because we sell Ammunition cheaper than Portland dealers, it must be inferior ammunition. Nothing of the kind. We bought when prices were low and are giving our customers the benefit of our foresight. We sell the

"Western" Shot Gun Shells

with which FRANK TROEH won the championship of the United States at St. Louis in June of this year, in a field of 497 shooters; the shells which won the last three Pacific Coast Handicap shoots. Ask somebody who has used them.

And our rifle and revolver shells are top notchers.

We carry a fine line of Electric Flash-Lights and Batteries at right prices.
