Jesse Applegate Seriously Injured

While returning to Hillsboro last Monday evening from a trip to the country, Jesse Applegate, republican candidate for sheriff, sustained injuries which make it impossible for him to do any more campaigning this month.

Mr. Applegate and John Boeker, jr., were riding in the auto of Ray Brown, who was driving, and when crossing the S. P. tracks at Base Line street, the Forest Grove local came along, upset the auto and pushed it something like 100 feet before the train could be stopped. The driver saw the train coming and jumped, escaping injury, but Applegate and his companion, in the rear seat, were penned in by the storm curtains and could not see the train, so they got the full benefit of the collision. Mr. Applegate sustained a dislocated shoulder, a broken collar bone and some internal injuries that for a time worried his friends considerably. Boeker was considerably scratched, but sustained no fractures.

Mr. Applegate was taken to the hospital, where he is resting as easily as could be expected, but is still suffering considerable pain.

The accident comes at a very inopportune time, for Mr. Applegate was visiting the various sections of the county in his race for sheriff and had not nearly completed his canvass. However, as soon as his Forest Grove friends heard of the accident, each appointed himself a committee of one to take up the canvass for votes for Mr. Applegate and they say they will work until the poles close on election night to see that he gets every vote coming to him.

"All-College Day" a Busy One

After an all-night vigil the brave lower classmen, the Sophs and Frosh, met on the picturesque P. U. campus in mortal combat at 7 o'clock Tuesday morning. It was the first event of the busy "All-College Day," which was held about a week later than common this year. After a battle royal lasting about an hour the Freshmen boys, with "Sweet Pea" Walker as their giant leader, were seen hauling their unfortunate opponents off in a covered hack, the victims handcuffed and "hog-tied."

At 10 o'clock the "Take Off" stunts were pulled off in Marsh Hall, the juniors making the greatest hit in the impersonation of Prof. Bates. In the basketball game in the afternoon, the seniors beat the faculty team by a score of 30 to 7. The initiation of the freshman class by the sophomores began at 8 o'clock in the evening at the gymnasium. The victors of the "class scrap" were put through some pretty rough stunts by the soph boys, who had the advantage of the frosh boys in this case. Following the initiations, the annual banquet in honor of the freshman class was held in the dining room of Herrick Hall. Hallowe'en place cards were used and the affair was delightful, the toasts being short and spicy and the menu delicious. Glenn Jack was toastmaster.

Stanley Coats of Tillamook visited Mr. and Mrs. John McNamer Tuesday.

Visitors Slug Out Victory

In a game characterized by very rough playing, the Lincoln High School football players last Saturday defeated the Forest Grove team by a score of 7 to 0. Three men were disabled for play during the game—D. Wright of Lincoln, broken foot; Kirry of Forest Grove, broken wrist, and Giltner, local, dislocated hip. Up to the time he was injured, Kirry divided honors with Captain Graham as a star player.

Dr. Holmes Has Resigned

In his sermon Sunday morning, Dr. O. H. Holmes told his congregation of the First Congregational church that he had accepted a call to the First Congregational church of Walla Walla, Wash., and desired to be relieved of his charge here. While it was known to some of the members that the church board of Walla Walla had been feeling around Dr. Holmes and had sent men here to size up his sermons, and that he had, on invitation, preached a sermon in Walla Walla about a month ago, it was hoped by the local members that their pastor and friend would be allowed to remain, but he feels that in a city the size of Walla Walla (about ten times the size of Forest Grove) he can reach more people and do more good than here. He did not solicit the new place and says he hates to leave Forest Grove, but, of course, he is not opposed to the increased salary he will receive.

Not only the members of his church, but hundreds who worship at other churches, will regret to see Dr. Holmes and family leave this city. In addition to being an eloquent and forceful preacher, he is a mighty good citizen, vice president of the Commercial Club, a member of the state board of pardons and has been active in civic affairs ever since coming to this city, a little more than two years ago.

The people of Walla Walla will get a good citizen and a very efficient minister when Dr. Holmes moves to that city. The church board will hold a meeting this evening to consider his resignation.

Rebekahs Have Good Time

The local Rebekah lodge initiated four candidates last night, or rather the degree team of Hillsboro lodge initiated four candidates for the local lodge, and after the business of the evening, in the neighborhood of 100 Rebekahs sat down to one of the best lodge banquets served in Forest Grove in a coon's age, thanks to the hustling of Mesdames Templeton, Sexton and Hill. The visitors from Hillsboro were Mesdames Goote, Reynolds, Case, Burt, Trullinger (I. V.), Wilkens, Bigelow, Zumalt, Trullinger (J. B.), Black, Long, Merville, Bingham, Barr, Haines, Emrick, Olson, Payton, Francis and Larson; Misses Amanda Hartrampf, Minnie Abbott, and Angie Harrington and Messrs. Larson and Francis. The visitors did excellent work in conferring the degree and were highly complimented by the Forest Grove members.

Election Returns at the Star

Manager Hoffman of the Star Theater has arranged to have national election returns read on the stage of the theater every few minutes next Tuesday evening. No advance in prices—5c and 10c. They will also be read outside the theater.

A milkman who covers a big portion of this city twice a day reports that on his route there are two Wilson pictures displayed in residence windows to one Hughes picture. Not bad, that, for a republican town.

Fifty-Nine Years of Wedded Life

Just fifty-nine years ago today, at Walkon, Iowa, Mr. and Mrs. Jacob Dixon, living near Dilley, were united in marriage. This may seem a long time to some people for a man and woman to live together, but friends of this venerable couple declare that love has never grown cold between them. Mr. Dixon was born at Lima, Ohio, in 1832 and his good

wife, Rebecca Harden Dixon, was born at Columbus, Ohio, five years later. In 1876 Mr. and Mrs. Dixon left Iowa and went to Alma, Neb., where they resided until 1895, when they came to Oregon, locating on a farm a few miles south of Cornelius. For the past seven years they have lived near Dilley.

Ten children have been born to Mr. and Mrs. Dixon and six are still living, as follows: Edward of this city, Lawrence L. of Harlow, Mont., Mrs. Maude Dickson of DeBay, Idaho, Walter Dixon of the Isthmus of Panama, Leonard Dixon of Dilley and Mrs. Clarice Nelson of Catlama, Wash.

Notwithstanding their age, Mr. and Mrs. Dixon are hale and hearty and expect to celebrate many more anniversaries of their marriage.

Chemawa Indians Here Saturday

The fast Chemawa Indian school eleven is coming to this city Saturday to engage the P. U. gladiators in a game of football and fans are expecting one of the fastest games ever seen in the city. The Indians are fast and husky, but, after the way the P. U. boys played at Mt. Angel last Saturday, when they won by a score of 14 to 13, their friends are expecting them to scalp the red men. The admission is 35c, and worth it. Game called at 2:30.

The members of the Christian Science congregation held services in their beautiful and commodious new church building last Sunday, but the dedication services will probably not be held until the pipe organ arrives, some weeks hence.

Mr. and Mrs. John Buchanan made their final move to the Grove Saturday. The children have been staying here with their grandmother and attending school.
