

Forced to Raise \$10,000

AND WE ARE GOING TO DO IT!

The only way we can accomplish this is to make prices that will compel you to BUY NOW! We must turn that amount of our stock into CASH within a very short time, and to do it, we will sell for 15 days at the prices quoted below, FOR CASH ONLY. This is not an effort to unload on the public, at a profit, ten or twelve years' accumulation of old and out-of-date merchandise. We haven't it to sell. Nothing but New and Up-to-Date Goods in stock. Compare our prices with prices quoted anywhereor under any conditions.

KING & COMPANY Forest Grove, Ore

Debate Friday Night

The first High school debate of the season will take place tomorrow evening at the high school.

The affirmative team, composed of Elizabeth Whitehouse, Joseph Loomis and Ernest Dye, will debate with Estacada High school here. The negative team, Evelyn McFeeters and Francis Taylor, will go to Tillamook.

The subject is: "Resolved, That Oregon should adopt a health insurance law embodying the essential features of the standard

bill for health insurance of the American Association for Labor Legislation."

The contest which will take place here is to be a hard-fought one. Estacada is one of the strongest teams in the State and the local team hopes to defeat them. Admission 25c. The public is urged to attend.

Won One; Ready for Another

The P. U. basketball quintet defeated the Philomath College bunch in this city Saturday night by a score of 54 to 23. Philomath

had two victories to its credit and came to this city in a rather cheery mood, but P. U. was too much for the visitors.

Next Saturday night the Pacific College quintet comes from Newberg and the locals are promising the visitors what Philomath got. Before the game with Newberg, the P. U. second team will take on the Hillsboro High school team for a game. This means two good games for one admission, two bits. Fun starts at 7:30.

Monday, Jan. 22, the Brother-

hood of American Yoemen will hold a public installation of officers. They will also have a program for the entertainment of their friends, who are cordially invited to attend. Meeting at K. of P. hall.

The lecture given at the Star Theatre Monday afternoon by Prof. A. B. Sweetser, under the auspices of the Woman's club, was quite well attended and was both interesting and instructive. Prof. Sweetser has some very good ideas on sanitation and

knows how to explain them.
