Forest Grove Trounces Vancouver

Last Saturday the local high basketball team journeyed to Van- couver and beat them on their own floor. The score at the final whistle was 40-4. The Vancouver team was completely baffled by the teamwork of our boys and never had a chance. The Forest Grove guards played a great game and their opponents secured only one basket off them. Tom Todd, the big center, was high-point man of the game, getting 13 bask- ets and a foul, or a total of 27 points. The boys can justly be proud of the team and it is the best that the school has turned out for several years. They ap- peared in their new suits and they are quite nifty. Here's the way the team lined up against Van- couver—Hughes(6), E. Todd (6), forwards; Tom Todd (27), center; Graham Kirry and Lenneville guards. Forest Grove was to have played Hillsboro High next

Saturday night, but evidently the county seat boys are afraid to play, as they have called the game off. Forest Grove has repeatedly tried to get games with them, but they are afraid to get a beat- ing, so they always offer a poor excuse. We know that we can beat them and so do they, and we want a chance to get at them, which they will not give us. However, another game will be substituted for this one and there will be a big pep parade on Fri- day P. M. The band will play and the school will try and show Forest Grove that they have some life, so be up town and see the fun, about 4 o'clock Friday after- noon. Watch for the game post- ers for the game Saturday and be sure and come to the game Saturday night. * * *
