

SATURDAY Is Thrift Day The COUNTRY OVER

Forest Grove keeps abreast of the times.

Next Saturday, February 3d, co-operating with cities, towns and villages all over the United States, we will celebrate Thrift Day.

Does Thrift Day pay? It does.

Waste and extravagance will get you nowhere. Thrift and a Savings Account will take you anywhere you care to go.

No matter who you are, what you do or where you live, you cannot succeed unless you save regularly.

STOVER Gasoline Engines

IF you figure on buying a Gasoline Engine, why not order one at once, before they advance in price, which they are surely going to do.

We have an attractive proposition on Silos. Better get in while the water's good. We have the best door ever put on a Silo, and the price is right.

THATCHER NOTES

Mrs. Alvin Ballinger returned home Saturday after spending a week with relatives and friends in Portland and Estacada.

Friends of Mr. and Mrs. Clold Clapshaw gave them a pleasant surprise party Thursday evening at their home at Hillside. Those present report a very enjoyable time. The evening was spent in playing cards.

Herbert Hazlett has been removed to Forest Grove, where he will begin the ozone treatment.

Another enjoyable dance was given Saturday evening at the "Haney Hall." While the people of Thatcher are completing preparations for building an entertainment hall, they are accepting the generous hospitality extended by Mr. and Mrs. Will Haney, who are offering their home as a meeting place for their many friends. Refreshments are by no means a minor feature of the evening's enjoyment.

Carl Clapshaw's hounds chased a coyote out of Mr. William's timber Saturday morning, but it proved too swift for the dogs and disappeared in the woods. The Williams boys took a shot at the animal but it was too far away for the shots to take effect.

The West and Simmons families took dinner Sunday with Mr. and Mrs. A. Ballinger.

Come to literary Wednesday evening. The young people are preparing a good program. Everybody invited.

Charley Roe, Aaron Scott, A. G. Hoffman, Judge Hollis, Dr. Nixon, Allan Rice, C. W. Creel, O. W. Jones and Wilbur McEldowney attended a big Masonic "doings" in Portland Saturday. The "boys" were chaperoned (a part of the time) by Mesdames Roe and Scott.

The Express prints butter wrappers with non-poisonous ink.
