

## PAINLESS PARKER vs. THE DENTAL TRUST

It has been demonstrated that a man does not have to belong to the Dental Trust to do good dentistry. He can do work every bit as good and much fairer in price if he runs his business like a modern practitioner, associates with him in his organization skilled specialists, buys his goods in bulk at reduced prices, advertises to attract as many patrons as possible and charges cash for the work done.

The enormous patronage of the Painless Parker offices, not only in Portland, Salem and Tacoma, but, also, in other large cities, is strong enough endorsement of the work done by this organization.

The Painless Parker system is to bring dentistry to everybody's doors. Tooth-grief multiplies like tar-weed. While you are going about your business, suffering from a decayed tooth or a nagging nerve, putting off the day when you will visit the fang-fixer, you are only making the matter worse and more costly for yourself.

That's why the Painless Parker offices in the Northwest have, at heavy expense, sent their novel demonstration motor-cars throughout the thinly settled districts, giving lectures on the importance of the care of one's teeth and giving conclusive illustrations of the painlessness of our operations by out-of-door work in the automobile. Many a person, who, hitherto, had paid no more attention to the teeth in his head than he had to the teeth in his harrow—often not as much—has been thus aroused to the danger of neglecting his choppers and has found welcome and inexpensive relief at our hands.

The beauty about the Painless Parker system is that, because of the size of the organization, it is possible to provide patients with specialists to handle their individual cases. If it is crown work, an expert operator takes the job. Another expert looks after the bridge work; another, pyorrhea; another, filling, and so on.

Not only this, but the dental work is backed with a guarantee good in any of the thirteen offices of the Painless Parker organization, or any we may open in the future. If our work needs attention, call and have it straightened out free of charge. Call, anyway, once every six months, and have the ivories given the once-over, just for good luck.

**Safety in the Home Part of Woman's Daily Duty**

Every woman in charge of a household realizes that it is a large part of her duty to keep that household well.

In this task she must know the simple home remedies to be applied at the first symptom of illness. Coughs and colds are two of the foes she must constantly combat, and digestive disturbances need immediate attention. Thousands of American housekeepers have found the most help to come from—**PERUNA**—ready-to-take

Because Peruna has established itself as the reliable family medicine of America, in the 45 years it has been before the public, the forehanded housekeepers keep it ready for instant ministrations in the period of depression that precedes a cold, or when stomach troubles manifest themselves.

Both of these disorders are caused by inflammation of the delicate membranes lining the breathing apparatus and the digestive tract. Peruna clears away the waste, aids the membranes in recovering from inflammatory conditions and tones up the system. Its effectiveness is the reason that so many depend upon it, and its long record of merit maintains it as the dependable home tonic.

## IF KIDNEYS AND BLADDER BOTHER

Take Salts to flush kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.
