Removing An Excuse.
"Aren't you going to be uncomfortable when prohibition hits the town?"
"No," replied Col. Stilwell, "I confess that I have a liking for good liquor and I want to see it given a fair chance."
"How will prohibition give it a chance?"
"It will bring these chaps who let you believe they would be wonderfully industrious and clever if they didn't drink to a showdown."—Washington Star.

YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezezone applied directly on a tender, aching corn or callous, stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain. A small bottle of freezezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin. If your druggist hasn't any freezezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

Sandy Macpherson came home after many years and met his old sweetheart. Honey-laden memories thrilled through the twilight and flushed their glowing cheeks.
"Ah, Mary," exclaimed Sandy, "ye are just as beautiful as ye ever were, and I have never forgotten ye, my bonnie lass."
"And ye, Sandy," she cried, while her blue eyes moistened, "are just as big a leear as ever, an' I believe ye just the same."—Liverpool Post.

TAKES OFF DANDRUFF, HAIR STOPS FALLING
Save your Hair! Get a 25-cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little danderine. Save your hair! Try it!

Whenever there is a tendency to constipation, sick-headache, or biliousness, take a cup of Garfield Tea. All druggists.

A Misapprehension.
"I understand," remarked Mrs. McGudley, "that they're on the lookout for some speakeasy liquor around here."
"Yes. It is very objectionable."
"Is that so. I kind of thought maybe as how speakeasy liquor might be better than the sort that keeps men up o' nights tryin' to sing at the top o' their voices."—Washington Star.

TAKE SALTS TO FLUSH KIDNEYS

East less meat if you feel Back-achy or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your waste and poison, else you feel a dull misery in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
