THICK, GLOSSY HAIR FREE FROM DANDRUFF
 Girls! Try it! Hair gets a ft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and it-thing of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

Why They Laughed.
 The English teacher was in the habit of reading the day's lesson aloud before the pupils recited it. They were studying Macbeth. In this tragedy Shakespeare introduces several storm scenes.

The one preceding had been a mighty one, where Macbeth curses his luck and fate. Everyone was very much impressed with his wrath. The teacher read on, not noticing the change of scene. "Thunder!" she exclaimed, and stopped. The class laughed, but almost as soon as the young teacher realized her mistake in accent, it would be hard to say which laughed the hardest, the pupils or the teacher.—Indianapolis News.

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

A Short Story.
 Ruth loves Merrill. Merrill loves Ruth. Merrill wants to wander. Ruth wonders why he would wander.

Says Ruth, "Let us at least wander together."
 But Merrill doesn't want to wander that way.
 Says he, "No."
 He exits Ruth-lessly, but Merrily! (The end.)—Jester.

It Works! Try It
 Tells how to loosen a sore, tender corn so it lifts out without pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness. This drug is called freezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous. Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers.

This drug freezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.

Commercial Perplexities.

REQUIRING ONLY ONE EGG
 Four Economical Preparations That Are Thoroughly Good, Although They Can Be Made Cheap.

Cornstarch Pudding.—To one cupful boiling milk add two level tablespoonfuls cornstarch, mix with one teaspoonful salt and two tablespoonfuls cold milk. Boil a few minutes, stirring constantly, then cook slowly ten minutes. Beat one egg and one teaspoonful sugar and add to the cornstarch. Cook one minute, add one teaspoonful flavoring. Remove from fire and beat. Pour into mold.

Queen's Pudding.—Pour one cupful scalding milk over one-fourth cupful bread crumbs. Beat yolk of one egg with two even tablespoonfuls sugar, pinch of salt and grated rind of one-fourth lemon. Stir all together, put in buttered dish and bake 15 minutes. Spread over top layer of jam or jelly and cover with the stiffly beaten white, mixed with two tablespoonfuls sugar and juice of one-fourth lemon. Brown in oven.

Banana Pudding.—Beat yolk of one egg, two tablespoonfuls sugar and one-fourth teaspoonful salt. Add juice of one-half tart orange and one cupful milk. Arrange sliced bananas and bread crumbs in baking dish and pour this custard over it. Bake in hot oven 20 minutes. Beat the white of egg stiff and add two tablespoonfuls sugar and juice of one-half orange. Spread on pudding and brown.

Baked Cornstarch Lemon Meringue.—Beat one cupful to boiling point, then stir in one level tablespoonful butter blended with some of cornstarch. Cook one minute, stirring constantly. Add the yolk of one egg, beaten with two tablespoonfuls sugar, grated rind one-fourth lemon, juice of one-half lemon and pinch of salt. Bake 20 minutes. Beat white of egg with three tablespoonfuls sugar, spread on top and brown.

Apple Cracker Pudding.
 Three medium-sized apples, six large milk or soda crackers, cold water, one teaspoonful butter, one pinch milk, two eggs, one-half cupful sugar, one teaspoonful lemon extract, nutmeg.

Crumble the crackers into a pudding dish; pour over these enough cold water to soak them until soft. Pare the apples, cut them in halves, remove core and put them on the stove with a small quantity of water; stew ten minutes. Pour milk over soaked crackers, add eggs beaten, and stir in the apples with the sugar. Add flavoring and grate nutmeg over the top of the pudding. Place butter on top just as the pudding is ready to be put into the oven. Bake in a slow oven until firm and brown. Serve hot.

Ginger Fritters.
 Bring to the boiling point two cupfuls of water, one-half cupful of sugar and one teaspoonful of butter, stir in two cupfuls of sifted flour and continue stirring until the mixture leaves the sides of the pan. Remove from the fire, cool, add four unbeaten eggs, one at a time, beat thoroughly and add one cupful of finely chopped preserved ginger. Drop from a spoon into deep hot fat, fry to a golden brown, drain on soft paper and serve with ginger syrup slightly flavored with lemon juice.

Jugged Chicken.
 Cut up chicken as if for fricassee. To every pound of meat allow two heaping teaspoonfuls of flour, one scant teaspoonful of salt, one-quarter of pepper. Roll each piece of chicken in the mixture. Pack closely in a large beanpot, cover with boiling water and bake until tender, two or three hours.

Ham, With Currant Jelly Sauce.
 Put one tablespoonful of butter and one-half cupful of currant jelly into a chafing dish. As soon as melted add a few grains of cayenne, one-quarter cupful of sherry and one cupful of cold cooked ham cut in small strips. Simmer five minutes and serve on toast.

Favorite Salad.
 One pint of baked beans, four teaspoonfuls chopped celery, two tablespoonfuls chopped onions, two cupfuls chopped raw cabbage. Mix together and serve with your favorite salad dressing.

Caring for Brooms.
 Brooms put into boiling water once a week and then plunged into cold water will become tough and durable, last twice as long as those not treated thus, will sweep better and not cut the carpet.

Chocolate Cream.
 One quart milk. When boiling stir in five tablespoonfuls grated chocolate, three tablespoonfuls (large) cornstarch, one cupful sugar, one cupful milk, flavor with vanilla. Cook in double boiler until no taste of cornstarch.

For Silverplate.
 When putting away best silver after use try placing a piece of loaf sugar in both teapot, coffee pot and hot water jug to absorb any moisture that might be left in, and leave lid open.

Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water
 Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, cold; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

A Brutal Attack.
 An actor visited a beauty doctor to see if he could have something done for his nose. The beauty doctor studied the organ, and suggested a complicated straightening and remodeling process—cost, 20 guineas.
 "I may go you," said the actor, thoughtfully. He stroked his nose before the mirror, regarding it from all sides. "Yes, I think I'll go you. But look here, do you promise to give my nose—er—ideal beauty?"
 The surgeon gave a loud, brutal laugh.
 "As to ideal beauty, I can't say," he replied, "but, by gosh! I couldn't help improving it a lot if I hit it with a hammer."—Baltimore American.

Misery in Back, Headache and Pain in Limbs.

Dear Mr. Editor—For more than a year I suffered with misery in the back, dull headache, pain in the limbs, was somewhat constipated and slept poorly at night until I was about ready to collapse. Seeing an account of the wonderful qualities of "Anuric," prepared by Doctor Pierce, of Buffalo, N. Y., I sent for a box, and before using the whole box I felt and still feel improved. My sleep is refreshing, misery reduced, and life is not the drag it was before. I most cheerfully recommend this remedy to sufferers from like ailments.
 Yours truly, **W. A. ROBERTS.**

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists of Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.
 Up to this time, "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Dr. Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.
 I know of one or two leading druggists in town who have managed to procure a supply of "Anuric" for their anxious customers in and around this locality. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment.
 EDITOR—Please insert this letter in some conspicuous place in your paper.

WOMAN SICK TWO YEARS
 Could Do No Work. Now Strong as a Man.

Chicago, Ill.—"For about two years I suffered from a female trouble so I was unable to walk or do any of my own work. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and determined to try it. It brought almost immediate relief. My weakness was entirely disappeared and I never had better health. I weigh 165 pounds and am as strong as a man. I think money is well spent which purchases Lydia E. Pinkham's Vegetable Compound."—Mrs. Jos. O'BRYAN, 1755 Newport Ave., Chicago, Ill.
 The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, and nervous prostration. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ills.
