

These Are the Days for the People to LOOK TO THEIR NEEDS

AND TAKE ADVANTAGE OF THE BEST PRICES

Commencing Saturday, Sept. 29th, and Continuing for 30 days, we will sell Stoves and Ranges at the following prices, which are 10 per cent and more below Portland prices. After our present stock is exhausted, we shall have to advance our selling prices from 10 to 15 per cent.

ECONOMIZE!

That's the watchword of today. If every family in the United States cooked on a MONARCH RANGE, thousands of tons of fuel daily would be saved for other useful purposes. It is an actual fact that a Monarch Range needs less fuel to do its work and the reason lies in the manner of its construction. You'll find a Monarch built so it stays just as tight during its whole life-time as when new—because it is made tight, not with putty, but by riveting the steel plates to the Malleable Iron castings. That is why Malleable Iron is used—so it can be riveted and produce a range that "stays satisfactory." Our price for the next 30 days, only \$80.00.

We have the MISSION HEATER in three sizes—19-inch, \$17.75; 21-inch, \$19.75 and 24-inch, \$22.00. The COMFORT, a new wood heater, with front door—20-inch, \$16.50; 22-inch, \$18.50. On all our Heating Stoves we will give a discount of 5 per cent for Spot Cash during this sale and when our stock is exhausted, prices will have to be advanced.

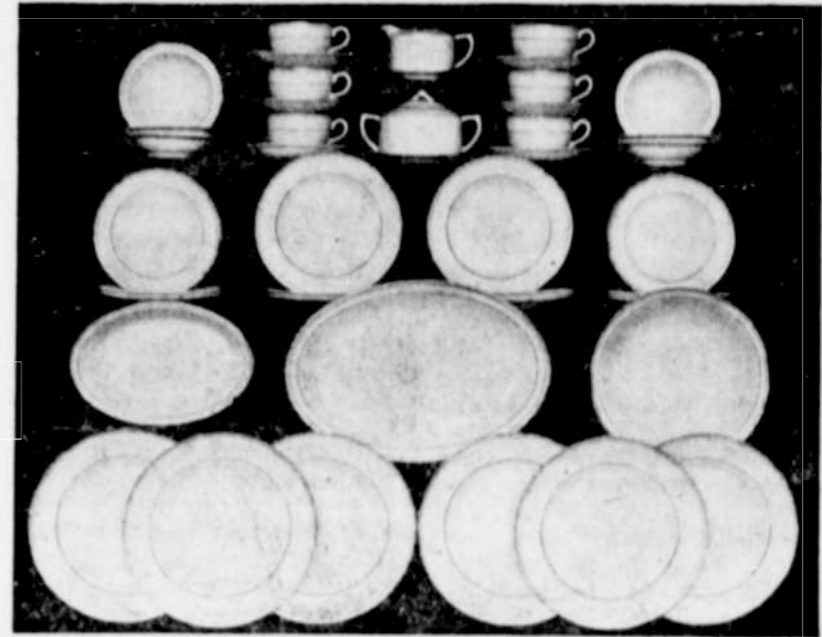

Forest Grove Phone 683 **Goff Bros.** Cornelius Phone 284

Regular Price, \$2.25; our price for this sale \$1.75

The original COLE'S Air-Tight Stoves
25-inch - \$15.00 and \$21.00
21-inch - \$12.00 and \$16.50

We are adding to our big stock a full line of DINNER WARE, as we find no one in town carrying Queensware. We have had it ordered three months, but have only received one pattern. We hope to get a number of others shortly.

This Fine Opal Heater

is cast-lined, with Heavy cast top and bottom; has swing top feed and extra-large side feed door, to accommodate large pieces of wood.
