FOREST GROVE SHOE STORE

I have been in the Shoe Game for a long time. Just now we are in the "Shoe Millinery" business. When it comes to asking \$7.50 to \$15 for a pair of \$3.50 to \$4.50 shoes, it's 'going some.' All above \$3.50 to \$5 is simply paying for a very foolish "fad." But, owing to conditions, we are putting in a line of the fancy stuff for \$5 to \$7.50. You pay \$9 to \$15 for them in the cities. If you must have them, we can save you from \$3.50 to \$5 per pair, at

When You Buy a

Gas Range

Why Not Buy the Best?

We are not blowing up our Stoves more than they deserve when we say they are IN A CLASS BY THEMSELVES, as 80 per cent of the Gas Ranges sold in the city of Portland are the A-B Stoves. Why? Because they are absolutely guaranteed against RUSTING. The others are NOT. Our Ovens are lined with Asbestos, thereby saving Gas. The others are NOT. Our Oven Doors are glass -- you can see your pies and cakes baking. The others are NOT. We have a genuine SIMMERING burner. The others have NOT. Why not buy the BEST? It's by far the cheapest in the end.

If your kitchen is small, we can sell you a combination Universal Wood and Gas Stove. This stove must be seen to be appreciated. One oven is used for both Gas and Wood. We will trade for your old range.

We have a Sample to Show You.

Quota Almost Filled

Six more drafted men were today certified to the state board by the Washington county board, as follows:

Chas. H. Schmidlin, Waldemar A. Pahl, Henry Hanson, Steven Kemper, Henry Vandercouving and Edward H. Kauffman.

This would fill Washington county's quota were it not for the fact that four men have been returned by the military authorities. Just what will be done regarding these four is not clear to the local board.
