The Forest Grove High football squad went to Hillsboro last Friday afternoon and gave the team of that town a drubbing, the score being 38 to 3. Vancouver was to have played Hillsboro, but failed to show up, so the management of that team took certain defeat rather than disappoint the fans.

### Proud of the New Army

Lieutenant Ryder Patten of Camp Lewis, son of Rev. and Mrs. A. B. Patten of this city, spoke briefly at the Congregational church Sunday evening, giving his opinion of the new "National Army," of which he is an officer.

Lieutenant Patten is of the opinion that the new army, enrolled under the selective draft, will give a good account of itself in action and he says there is more democracy in this army than in any other branch of the service. Officers and men are more intimate than in the old regular army and, in spite of this, discipline is very good.

Like all the soldiers who have left home, the Lieutenant advises those at home to "keep the home fires burning," and to write to the boys very regularly.

### Stars Enjoy Visit

Twenty-five members of Forest Chapter, O. E. S., journeyed from this city to Portland Monday evening by auto and electric train and paid Martha Washington chapter a fraternal visit. At the big city the Stars had prepared a program in honor of the visit, there being an excellent program of music, recitations, monologues and "eats." The male members of the Portland chapter furnished the program and the eats, showing a remarkable aptitude for their various parts, as though they had done it before.

## Red Cross Seals and Tuberculosis

Between December 1 and Christmas, Oregon will fire 1,000,000 bullets at the kaiser's ally, tuberculosis.

Business men, housewives and school children at one cent each will buy cherry Red Cross Seals. The resulting fund will be used partly in America's fight to keep from the trenches and cantonments the scourge of tuberculosis that has already sent hundreds of thousands of men back from the Allies' trenches, and partly in the well organized work of the Oregon Association for the Prevention of Tuberculosis to lessen the sorrow and death bringing disease in this state.

"Red Cross Christmas Seal Month" (December) will be ushered in by "Tuberculosis Week."

During the week it is intended that every man, woman and child in Oregon shall learn of the campaign and the absolute necessity of carrying it on as a means of increasing the efficiency both of soldiers and those who do their bit at home.

Three special days will be observed. Medical Examination day comes on December 6. "Never before in the history of the world," reads the association's statement, "has the importance of the physical fitness been so clearly revealed by thorough medical examination as in these days of war and army mobilization." Modern Health Crusade Day comes Dec. 7. It will be devoted to interesting the children through the schools in the tuberculosis and public health movements.

Tuberculosis Sunday, the culmination of the week, is an un-denominational and non sectarian observance. It has in past years and will this year reach Jew and Gentile, Protestant and Catholic, and all possible religious groups within these organizations. It has received the endorsement of leading church dignitaries, of almost every creed and denomination.

Mrs. Saldie Orr Dunbar, Secretary of the Oregon Association for the Prevention of Tuberculosis, will act as campaign manager. Headquarters are in the Corbett

Building, Portland. Those desiring information may also communicate with A. L. Mills, President of the First National Bank, Portland, who is president of the association, or with the State Board of Health, which is utilizing the research and survey work being done comprehensively throughout Oregon by the Association in order to locate all afflicted with tuberculosis and see that they get instructions and, if necessary, sanitarium and nursing care, in their fight for health.

Because the Oregon Association for the Prevention of Tuberculosis is planning to take care of a number of men who were rejected for military service on account of traces of tuberculosis, it is announced that the sale of Red Cross Christmas seals must be double this year what it has heretofore been. Sales start December 1st. With proper care many of these men can be cured and allowed to enlist.

### A Good Woman Dies

Mrs. Sarah Caroline Linkenfelter, living one and one-half miles east of this city, died at her home Thursday evening, Nov. 22, after a short illness. She was born at Somerville, Missouri, May 12, 1859, and was married to George Linkenfelter Sept. 18, 1878.

Mrs. Linkenfelter was the mother of seven children, five of whom, with her husband, survive her. Services were held at the Adventist church in Cornelius, a large number of friends being present. Elder Cotterell of Portland conducted the services. Mrs. Linkenfelter was a woman of kind and loving character, and will long be mourned by her friends.

Joe A. Wiles would like to write your insurance. Will give you service that will be to your advantage. West side Main St., north of Tucker's garage.

### Cook With Coal

The Forest Grove Planing Mill has laid in a supply of good fuel coal and is prepared to supply consumers at a reasonable price. Order by telephone No. 0232.

It must have frosted quite severely in the vicinity of Dilley during the past week, judging by the looks of Paul Beck, who has lost his mustache.

This is the season when sweaters are a comfort. John Anderson has a fine line at reasonable prices.
