That may be an important question to the politicians, but conveniences in the home mean more to your wife than the name or complexion of the next governor. The Hoosier Kitchen Cabinet contains more helps and conveniences than any piece of furniture ever invented. I sell them on easy payments. Claude E. Smith. It

## HIGH SCHOOL NOTES

A Thrift Stamp Campaign was launched in the High School last Thursday. An assembly of the student body was held and a number of speeches made by members of the drive committee. The first speech was made by Margaret Martin to arouse interest in the purchase of the stamps. Then Maud Graham explained how the stamps were to be purchased and Fred Patton explained how the campaign was to be conducted among the student body. Martha Shue closed the assembly by citing various unique methods by which money could be saved to buy the stamps. The Sophomore and Freshman are to compete with the Senior and Junior classes to see which will buy the most stamps, and the rivalry between the upper classmen promises to be very keen.

A basket ball rally was held last Friday for the purpose of arousing enthusiasm for the two basket ball games which were played last week end. The assembly opened with the usual singing and then Yell Leader Lenneville took charge with his usual "pep."

A basket ball game of great interest was played last Friday night between the High School team and Alumni. This annual event was of particular interest this year because the members of the Alumni who played formed a strong part of the last years High School team. Tom Todd, one of the best players Forest Grove ever put out, played center, and Hughes, Robinson, Thompson and Lester and John Ireland made up the team. Albert Schneider, Clarence Lenneville, Fred Patton, Troutman and Leslie Hoar played on the High School team. The Alumni proved too strong for the H. S. team and when the final whistle blew, the score was 16-27.

The Basket Ball team went to Newberg Saturday night with the purpose of wiping Newberg off the map, but the hard playing of the night before told on the boys and, as a result, the score was 26-20. This leaves Newberg and Forest Grove still undecided as to which is the best team as the Newberg-Forest Grove game played at the Pacific gym. was a victory for Forest Grove.

The regular monthly meeting of the Associated Students was held on Monday night of this week. A number of new Freshmen have bought tickets and the association is much larger. The president, Albert Schneider, presided.

## SWAT THE CRITICS

We are no grim philosopher,  
Whose knowledge makes him weary,  
But rather of jovial mien,  
By nature bright and cheery.  
We never carp at other folks  
And criticize their labors,  
Or loudly shout  
All day about  
Our law abiding neighbors.  
But when some beateat sides up,  
Chuck full of inspiration  
About the strategy of war,  
Jaw set for conversation,  
We lose our sweet unruffled calm  
And long for our shillalah;  
Our fingers ache  
To choke this Jake;  
For we could slay him gaily.  
And then there is another bird,  
Who lives on beans and water;  
He buttonholes us on the cars  
To laud his thrifty daughter,  
And tells about her marvel cake  
Made of corn products plaster;  
Some day he'll jar  
Our nerves too far,  
And there will disaster.  
The lists of pests was always long,  
But now it's getting longer,  
And hour by hour the busy ranks  
Are going at it stronger;  
They tell Gen. Pershing how to win;  
Slip Wilson tips on bossing;  
And McAdoo  
Gets his free too,  
From every country crossing.  
Some sunny morn will find us locked  
Away in vilest durance,  
And sundry widows draped in black  
Collecting their insurance.  
That's why we wish these wild eyed  
gents  
Would favor us by fitting,  
And let us be  
In peace while we  
Attend unto our knitting.  
—Oregon Voter.
