Fleur de Lis Celebrate

The Fleur de Lis club met in jollification Saturday night at the home of Mrs. Willis Goff. It was an "Allied Party" and each lady came in costume to represent one of the allied nations. The Maid of France, the Highland Lassie, as well as sturn Sandy with his sword; sturdy Belgium, maimed but smiling, the butterfly ladies of the Flowery Kingdom, fair Italy, turbaned India and our own Columbia, all as gay and smiling as though Kaiser Bill were numbered with the dead. The affair was given by the club in honor of a visiting member, Mrs. Tynnel Robison (nee Harriet Starret) of Hepner, a former resident of Forest Grove.

Those present were, Anna Goff, Alyce Todd, Rena Caples, Dolly Hinman, Bell Marsh, Carrye Macrum, the guest of honor, Mrs. Robison, and an invited guest, Mrs. P. C. Starret.

Mrs. McEldowney entertained the Fleur de Lis Wednesday afternoon. The members spent the afternoon sewing on infant garments to be sent to France through the Red Cross. A delicious supper was served. Members present were: Mesdames Goff, Caples, Macrum, Robison, Cheney, Todd, Marsh, Misses Langley and Hinmam.

The Woman's Club

Monday afternoon's business meeting of the Woman's club was a rather busy one. Mrs. Hines, chairman of the committee having charge of the recent Red Letter day entertainment, reported a profit of \$55, which was better than the average profit from similar events. A committee was appointed to arrange for the showing of a series of Lincoln pictures at the local theater in the near future; Mrs. C. E. Walker of the public health committee reported progress in the arrangements for the eugenics contest to be held next month; Mrs. P. L. Schultz reported her committee was getting up an excellent Hoover lunch for "Guests Day," Feb. 25th, and it was decided to invite club members from the surrounding towns, instead of confining the invitations to Forest Grove ladies, as in the past.

A letter of congratulations was ordered sent Lieut. and Mrs. Ray T. Williams on the birth of Forest Grove's first war baby to them and a letter of sympathy was ordered sent Mrs. Hurley, because of her recent severe illness.

Rebekahs to Entertain

The members of the Forest Rebekah lodge will give a patriotic entertainment on next Wednesday evening, Feb. 20th, at I. O. O. F. hall, with Hoover lunch after the program. Each member is entitled to invite one guest and a silver offering will be taken for the Y. W. C. A. war fund.

The program committee of the Forest Grove Brotherhood is trying to arrange a Boy Scout mass meeting on Feb. 26th, with a good speaker from Portland. An effort was made to secure J. E. Brockway, scout executive for Oregon, but he says he cannot be here on that date, but would be glad to come the following week. Final arrangements will be announced next week.

It's Lieutenant Hawke Now

Dr. Chas. E. Hawke, who offered his services to the government several months since, was Saturday summoned to Portland, passed the examination, was commissioned a lieutenant and assigned to the spruce division of the signal corps, with headquarters at Vancouver, Wash. He came home in uniform and visited with his family until yesterday, when he reported at Vancouver for duty.

Methodists Have a Minister

Members of the local M. E. church board have been notified by Bishop Matt Hughes that he has secured for the local pulpit Rev. John Ebert of Sisseton, South Dakota. The new minister is expected to be here by a week from next Sunday.

Arthur Mills Injured

Mr. and Mrs. E. G. Mills departed Tuesday morning for Arnold, Neb., in response to a telegram informing them that their son, Arthur, had been seriously injured. No details were given. Miss Edna Mills yesterday received a telegram stating that her brother was not worse, so local relatives are hopeful that the accident will not prove fatal. Arthur's wife is a sister to Mrs. S. L. Carlyle of this city.

Local Man Appointed

Governor Withycombe has appointed H. C. Atwell of this city as a member of the state horticultural board, in place of J. W. Pomeroy of Scappoose, who resigned.

Mrs. E. M. Mewhinney, who was operated on at the local hospital Feb. 1st, is so far recovered that she will be taken home tomorrow.

Service Flag Dedicated

During last Sunday morning's services at the Congregational church a service flag, containing the names of forty-one members of the church who have enlisted in some branch of military service under the American flag, was raised over the pulpit. As each name was read, those relatives who were in the congregation arose to their feet, making a very impressive exercise.

Rev. Patten preached on "The Democracy of Lincoln and Its New Developments for Our New Day" and the sermon was one of the best and most patriotic this able pastor has preached since his pastorate here.

Members of the Grand Army and Relief Corps were present in large numbers and the words spoken in praise of the great emancipator were highly appreciated by the men and women who watched Lincoln's course during the trying days of the Civil war.

Rev. Patten expressed the opinion that we would never have a world democracy of the nations until we got industrial democracy in the nations.

In the evening he preached on "Lincoln, the Man."

NUTRITIOUS CORN BREAD.

One New York hotel has arranged a thoroughly patriotic corn bread recipe. It combines cornmeal with rye flour, both of which are being consumed in greater quantities this year in order to release wheat flour for the allied nations. This recipe fills a large pan—16 by 22 inches—and contains the following ingredients: One quart milk, four ounces butter substitute, ten ounces light syrup or honey, three eggs, pinch salt, two pounds cornmeal, one pound rye flour and two ounces baking powder.

The butter and syrup are thoroughly mixed. Then add the eggs gradually, pour in the milk, then add the rye flour mixed with the cornmeal and baking powder. Bake in a hot oven.

E. H. Hoyer of Portland was a dinner guest yesterday at the home of Mr. and Mrs. S. A. Walker.
