

Do You Understand Your Uncle Sam?

Our Uncle wants us to raise the \$2,000,000,000 Thrift Stamp fund (\$20 per head) during the year 1918 by investing what we have heretofore wasted. Citizens of a nation at war cannot afford to waste a dollar, a pound of food or a yard of cloth. Our government needs our money and our soldiers and sailors need our surplus food and clothing.

Let us abolish all forms of extravagance, conserve our products, improve our health and thus be in a position to say, "America won the war and I did my share by lending my government money and denying myself luxuries during the terrible conflict for world democracy."

Let us set our children examples of thrift, so they may be proud of us and we of them. We sell Thrift Stamps and so do 34 other local business houses. It's up to you.

A Gloom-Killer

The farce comedy, "All a Mistake" is to be put on at the Star theater, March 4th, by local talent and it promises to be a dispenser of the blues, as it teems with comedy from start to finish. It is for the benefit of the local branch of the Red Cross. The cast is made up of some of Forest Grove's best entertainers—Herbert Duell, Miss Lena Duyck, Frank Doane and Iva Conger are playing the leads while R. E. Burns, Miss Evelyn Patten and Mr. and Mrs. Fred W. Jones supply the comedy in character parts.

If you want to enjoy a good laugh and at the same time help the soldier boys be sure to remember the date. Specialties will be put on during the action of the piece by Ray Jackson, Herbert Duell and Mr. and Mrs. Jones.

The piece is under the direction of F. W. Jones and he promises us a real treat.

Remember entire proceeds go to Soldier Fund.

For Benefit of Red Cross

The faculty members of Pacific University conservatory of Music are preparing a program to be rendered at Marsh Hall in the evening of Feb. 28th, at 8:15, for the benefit of the local branch of the Red Cross. Admission will be 25c.

Among the performers are Mrs. Virginia Spencer Hutchinson, contralto; Mrs. Nina Marie Walker, pianist; Miss Wilma Wagener, pianist; William Wallace Graham, violinist

Program will be published next week.

A Fine New Store

The big stock of A. G. Hoffman & Co. has now been transferred to the new building on Pacific avenue, where Mr. Hoffman and his clerks are rapidly getting it arranged to their liking. The room is 50x70, light, clean and just the right shape to save steps and is heated by a number of gas-burning radiators. Mr. Hoffman has a right to be proud of his new building.

Just received, a very pretty line of Voiles for spring. A. G. Hoffman & Co.

Lincoln's Birthday

The members of James B. Mathews Post No. 6, Department of Oregon, G. A. R., assembled in their hall at 1:30 p. m. Tuesday and celebrated Lincoln's birthday in grand style. Hot coffee, bun sandwiches, graham crackers, apples and other toothsome edibles were enjoyed by the "old boys" after which there were a number of splendid talks by Comrades Hatch, Beahen, Van Nortwick, Bennett, Crabtree and Baldwin, some of whom were more or less acquainted with Abraham Lincoln. Comrade Hatch read from a newspaper that was printed at the time of the assassination of President Lincoln, a full account of that terrible affair. Comrade Beach read extracts from a speech on Lincoln which he delivered on Lincoln's birthday a few years ago. At this time the W. R. C. "came over the top" and captured the Post. Peace being restored, the W. R. C. entered heartily into the celebration and made some very good talks. J. T. Butler closed the "talkfest" as only our Joe can, you know. Then came a shower of ice cream by the W. R. C. and those little cakes, so very elusive, put in to mark the line between ice cream and something a little more substantial. The chairs were put aside, the drum corps was pressed into service, a dance was staged and the "old folks" were young again.

Chevrolet!

CHEVROLET cars "get away" in a hurry or just idle along, all to your choosing.

In crowded traffic it is satisfying to know that you are master of the car you are driving and that it will respond to your slightest touch.

Chevrolet Motors are flexible and always do your bidding—in the country, on straightaways or on city streets.

Chevrolet cars are "all-around" good cars—mechanically sound and answering every demand of the owner.

The GOOD motor car is not built in a minute, a day or a month.

It requires years of knowledge and experience.

The building of a reliable car demands brains, experience and ample resources and it takes a harmonious combination of these three to produce a worthy product upon which a manufacturer can build a lasting reputation.

Chevrolet cars have been good cars for years. The reputation of the Chevrolet is good.
