Interment was in Forest View cemetery last Friday, Rev. Putnam holding services at the grave. Paul Beck of Dilley has been appointed administrator of the Blazin estate.

Pacific University Notes

The Pacific University orchestra met in Marsh Hall, Monday evening, to organize for the work of the semester. The orchestra is under the direction of Professor Graham and will practice regularly on Monday evenings at 7:30.

At the chapel service next Thursday the speaker is to be Miss Mary F. Denton, from Doshisha University, Japan. Miss Denton is a charming woman, and this is a fine opportunity for the people of Forest Grove to hear about her missionary experiences. The chapel exercises are at ten o'clock and all who are interested are urged to attend.

Mr. Handlin received an appointment to work for the U. S. Entomological Bureau with headquarters at Corvallis, at a salary considerably larger than he is receiving at Camp Lewis, but he declined, in order to continue his work with the Army Y. M. C. A.

The first lecture in Miss Willard's course on "Food and the War" was given to a large number of interested people last Friday, and the lecture was well received. The next lecture of the series will be given tomorrow at 3 at the College. These lectures are free to the public.

The Freshman class of Pacific University desires to announce to the people of Forest Grove and vicinity their annual Washington Birthday program on the evening of Feb. 22, to which the public is very cordially invited. The program will consist of piano and vocal solos, the prophecy of the Sophomore class, singing by the Freshman girls, quartet and colonial dances. The special feature is the play, "A Mount Vernon Fantasy" written by Miss Bagsted. HIGH SCHOOL NOTES

Last Friday the negative debating team, consisting of Evelyn McFeeters and Albert Schneider, accompanied by the coach, Mr. Inlow, left for Amity to meet their affirmative team in debate. A large number of the student body were at the train to see them off and speed them on their way with some hearty yells. The team fully justified the high school's belief in them by bringing home a 3-0 decision in their favor. This is the third debate in which Forest Grove has participated this year and gives the local high school the district championship. After this another series of debates will be held to decide the state championship.

Saturday night two very interesting basketball games were played at the Pacific University gymnasium. The first game played was between the boys' basket ball team and Tualatin. The boys played with a team which was very near their size and strength and when the last whistle blew the score was 38-18 in favor of Forest Grove. The second game played was between the girls' local team and the girls' team of Gaston. This is the first basketball game in which the fair sex have participated this year and much interest was shown. The game was hotly contested to the finish and resulted in a tie. However, during the added five minutes which was then played Gaston came out victorious.

A combined basketball and debate rally was held Friday afternoon at the close of school. After some songs and yells appropriate to the occasion the rally adjourned to the depot to see the debaters off.

Tuesday morning a "Lincoln" assembly was held. Edythe Darland opened the program with a delightful piano solo. Then the assembly sang a number of songs and Mr. Inlow introduced the speaker, Rev. A. B. Patten, who gave a splendid talk upon "The Greatest American—Abraham Lincoln." At the close of his address the student body sang "America."
