THURSDAY, MARCH 7, 1918

... This paper has enlisted with the government in the cause of America for the period of the war .....

Both houses of the Texas legislature have voted for a dry America.

The next Liberty Loan drive starts April 6th. Have you started to accumulate for it?

Food administration says all Oregon cheese made in 1917 must be disposed of before June 15th. If they keep it longer, put it in cannon and shoot it at the Huns.

After the Kaiser's hirelings had duped Trotsky and Lenin into signing a peace pact, the old Hun butcher wrote his Chancellor that "The German sword, wielded by our great army leaders, has brought peace in Russia. We feel

deep gratitude to God, who has been with us." Rather magnanimous of the old devil to give God part of the credit.

Jesse Jones of Oregon City, who had his wife chop off one of his fingers to enable him to escape military duty, had all his pain for nothing, as he has been sentenced to three months in jail and may have to join the army after he gets out of jail.

A Multnomah county grand jury is investigating the report that a naked woman danced at a banquet given at the Multnomah hotel the night the recent auto show came to a close. Two hundred auto dealers were there. Were any of them from Forest Grove?

### MISINTERPRETED THE VOICE

The announcement of a certain Washington county editor that his friends "want him to go to the legislature" reminds the editor of the Express of Joe Leach. Joe was a Georgia negro, who was not overly fond of labor. One morning he informed his wife,

### SUSPENSE

My boy? My heart is quivering! I do not know.  
His latest bouyant word, he thought they'd surely go  
At any unknown hour. Since then the vessel sailed.  
And if he went, I've hoped—but there my courage failed.  
I hardly dare to think at all, just trembling pray  
That he'll come back to me across that watery way.  
February 8th, 1918. —C. T.

Liza, that he was going to give up his job at hoeing cotton and go preach the gospel. "Whoever told you you could preach?" asked the astonished Liza. "De Lord done call me fo' to preach," replied Joe. "When de Lord call you?" queried the inquisitive woman. "Bout nne o'clock this mornin' de Lord say to me jist plain as day, 'Joe Leach, go preach,'" exclaimed the the lazy coon with a pious smirk. "Go on, you fool nigger," exclaimed the woman, "I done hear a voice 'bout nine o'clock, but it want de Lord's voice; it war de voice of dat old mule down in the paster brayin' for his cawn. You go feed dat mule and git to work 'fore I busts you over de haid with a broom handle."

Mebbe this modern Joe was mistaken in the voice. If he will not heed this warning, Vox Populi will speak more distinctly on May 17th, thru the primary election.

### Housewives Meet

Saturday afternoon in Langley hall an interesting group of Forest Grove housewives assembled and listened to a war bread demonstration given by Miss Edna Mills, Emergency Home Demonstration Agent. These women are particularly interested in the work of conservation and are going to be of service to their friends and neighbors by helping them with their food problems.

The next meeting of the housewives will be held Saturday, March 16, 2:00 p. m., and the topic for discussion will be meat substitutes. All who are interested in this work and are willing to be of service to their nation are cordially invited to be present.

Boys', all-in-one Overalls just received. C. E. Roy & Co.

### WISHES

I wish I were a bullet,  
A-sitting in a gun,  
For wouldn't it be jolly nice  
Just to hit a Hun?  
I'd travel straight across the line  
Where no Man's Land might be,  
And when I'd stop a Hun would drop—  
Hurrah for Liberty!

### A SOLDIER'S MOTHER.

That Oregon is doing her share in giving relief to the starving Armenians and Syrians was demonstrated recently, when the Portland committee sent a check for \$70,000 toward the \$150,000 asked from this state. The campaign is still on and will not cease until the total amount is assured.

### ANNOUNCEMENT

To the Republicans of Washington County:

I hereby announce myself as a candidate for the nomination on the Republican ticket for the office of State Representative.

I seek the nomination because I am willing to work, to work hard, and to work all the time to win this war for the free voice and rule of the people of the world, to promote the best interests of the State of Oregon, and to keep the home fires burning brightly in Washington County.

I seek the nomination because I have had experience in legislation, and believe I can give "value received" for

every effort expended in my behalf. I seek the franchise of the people and, if chosen, I will serve them honestly and economically.
