COUNTY SCHOOL NEWS

A Program for Every Patriotic American

1. Learn what you can about Uncle Sam's war work.

2. Give what you can to help our boys and to relieve the sufferers.

3. Conserve and produce what you can of food and clothing.

4. Save what you can and lend to Uncle Sam. Start now. Buy Thrift Stamps and War Savings Stamps.

District No. 22, Middleton, reports four more Rainbow Regiment members, making a total of eight.

The first district to report for the Honor Roll in war savings is District No. 96, Mountain Home, M. N. Bonham, teacher. Every pupil is a War Saver, also teacher.

Washington county teachers own \$4,800 worth of Liberty Bonds and pupils \$9,100 worth; teachers own 119 \$5 War Saving Certificates and 234 pupils own 630; teachers own 211 two bit Thrift Stamps and 657 pupils own 2715; 466 pupils belong to a War Savings society and 792 have gardens and are raising poultry, swine or other live stock; 1118 pupils contributed \$509.17 to war work during the month.

The teacher had a fine meeting at Sherwood, Saturday, March 9. State Superintendent Churchill made a fine talk on high schools and one on the course of study for grades. Mr. Maris, State Industrial Club worker, was present and told of the value of that and plans for its promotion. Prof. Patton's address on "Play" and Miss Wood's class demonstration were of special practical value. There was considerable interest in the discussion of the effect of the extra war work on the regular work of the schools. This was led by Prof. Reinemer and Mrs. Dow. The work in reading, history, geography and composition seem to be helped and other subjects not hindered by the interest in war work. The people of Sherwood gave the teachers a cordial reception and fine dinner.

Mr. Maris is working Washington county this week and next and will visit as many schools as possible in the interest of the industrial work.

Boys Win and Girls Lose

Pacific University gym was packed with basketball fans last Friday night to see two games between the boys' and girls' teams of the Hillsboro and Forest Grove high schools. The game between the girls was played first and was won by the Hillsboro girls—5 to 25. While rather one-sided, there was much of interest in the game for the spectators.

But the Forest Grove boys more than evened things up with the visitors by taking the big game of the evening by a score of 25 to 32. Galley of Portland was referee in both games.

Next Saturday night the two Forest Grove teams will close the season in twin games at Hillsboro and quite a bunch of fans are expected to accompany the players to the county seat.

Pacific Orator Makes Good

Representing Pacific University in the Inter-Collegiate Oratorical contest, held at Salem last Friday, Martin Bernards of this city took second place, with Abraham Rosenberg of the University of Oregon taking first and Irl S. McSherry of McMinnville College bringing up in third place. Mr. Bernards' subject was "The Soul of Belgium" and those who heard him say he made the most of his opportunities.

Mr. Bernards will take part in the debate with a team from Willamette University at Marsh Hall tomorrow night, his colleague being Miss Donna Mack. Go and hear this debate; 25c; begins at 8 sharp.

Filling First Quota

Word came from Washington Tuesday that Oregon should raise by March 29th 369 more men for the final quota of the first draft. Washington county's share is eleven men. Congress is now working on a bill calling for a second draft of 800,000 men, who will be called in small lots during the present year.

NOTES AND PERSONALS

Bernard Ortman has traded his Ford for a new Maxwell, making the deal with M. S. Allen.

Let us make your next suit. Spring and Summer samples on display now. A. G. Hoffman & Co.

Lieutenant Ray T. Williams of Camp Lewis visited his parents, wife and little daughter in this city several days last week.

L. M. Graham went to a specialist in Portland yesterday to take treatment for a stubborn case of lumbago.

The second offering of "All a Mistake," made by local talent at the Star Theater Monday evening, was fairly well attended, considering the large crowd which witnessed the first performance, and the audience appreciated the comedy immensely.

John K. Pollock, executive secretary of the State Council of Defense, writes the Express from Portland that the general Liberty Loan meeting heretofore scheduled for this city will be held, instead, in Hillsboro on Friday, March 15th.

Dr. C. E. Hawke has been sent by the war department to Clatsop station, near Seaside, where he looks after the health of a gang of spruce workers. His son, Malcolm, joined him Friday, having been offered a clerical position, and Mrs. Hawke and Helen expect to move soon to Seaside.

For the Children, first because of the last. Buster Brown Shoes, of course. A. G. Hoffman & Co.

Word has reached this city of the death at Victoria, B. C., of John Miller, who years ago lived at North Mound, on the northwestern outskirts of this city. He had four or five sons and one of them, John, graduated from Pacific University. Another son, Robert, went to India as a missionary. Deceased was generally referred to as "Scotch" Miller, on account of his broad brogue.

The funeral services for Mrs. Julia M. Owens, who died last Wednesday at the home of her daughter, Mrs. J. W. Kyle, up Clear Creek, were held at the graveside, in the Gales Creek cemetery, at three o'clock Thursday afternoon, Rev. Daniel Staver officiating. Deceased was nearly eighty years of age and had made her home with her son-in-law and daughter for some years.
