Being an officer needs to present his getting hold of such a good thing as a chew of Real Gravely!

### He Gets Days of Comfort out of a pouch of Real GRAVELY Chewing Plug

Real Gravely Plug is such good tobacco (just enough sweetening to flavor), that a plug of Real Gravely lasts much longer than an ordinary plug, and gives the comfort and satisfaction of good tobacco.

Give any man a chew of Real Gravely Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravely, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravely with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELY

Dealers all around here carry it in 10c. pouches. A 3c. stamp will put it into his hands in any Training Camp or Seaport of the U. S. A. Even "over there" a 3c. stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.
