

It Cost the Average Family Less Than 10c Per Week for Packer's Profit in 1917.

The Meat Bill is one of the large items in the family budget
but

less than 10 cents per week of it goes to the packer in profits.

In converting live stock into meat and getting it into the hands of the retail dealer, the packer performs a complex and essential service with the maximum of efficiency.

The above statement is based on
• Swift & Company's 1917 figures
and Federal Census data:

Swift & Company's total output (Meat and by-products)	-	5,570,000,000 Pounds
Swift & Company's total Profit	-	\$34,650,000.00

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur

Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Mark Twain's Childhood.

Mark Twain used to tell the pathetic story of his childhood. It seems, according to the story, that Mark was born twins. He and his twin looked so much alike that no one, not even their mother, could tell them apart. One day, while the nurse was bathing them, one of them slipped in the bathtub and was drowned. No one ever knew which twin it was that was drowned—and therein, says Mark, was the tragedy. "Everyone thought I was the one that lived," he said, "but I wasn't. It was my brother who lived. I was the one that was drowned."—Exchange.

Sure! High Heels Cause Corns But Who Cares Now

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callous the soreness is relieved and soon the entire corn or callous, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callous without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callous. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.—Adv.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if Kidneys feel like lead or Bladder bothers.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.
