

Farmers, ATTENTION!

The prices of Binder Twine have been settled by the Government; that is, the price the jobber shall charge the dealer.

We wish to protect all the farmers who want to take advantage of our offer. That is, we will take your order for twine at the following prices, to be paid for at the time of delivery. Our profit on twine is so small that we must refuse to give credit at the prices quoted.

This offer will hold good until about May 1st; not later, as our jobber will not agree to fill any order after that date.

This is a serious condition, farmers. Get busy and buy your twine from some responsible dealer, so you may be sure of having it when you are ready to cut your grain. Our prices are as follows:

550 feet Twine - - 27c
600 feet Twine - - 28½c
650 feet Twine - - 30c

Who Was "Beau Brummel" Do You Know?

He was for many years the favorite of King George IV of England--and the best dresser of his time. "The Beau" was not a dandy as we know the term--in fact Lord Byron said of him that there "was nothing remarkable about his dress except a certain exquisite propriety."

He naturally led the men's fashions--and no more celebrated character ever lived--ever had so much influence on men's dress as did Beau Brummel.

The Beau Brummel Shirt

is, like its namesake, noted for its exquisite propriety--its perfection in style, pattern, fit and splendid workmanship.

It is typical of the master of dress for whom it was named--and you will say so as soon as you see one of these fine, really beautiful garments.

When you put one on your back--when you see how splendidly it adds to your dress; how it refines your appearance with a quiet elegance--then you will be a convert to this better shirt.

Come in and let us show you the line--we believe it will be much to your interest--yes, to your great advantage.

We have in stock a full line of Men's Work Shirts, Overalls, Jumpers, Khaki Pants, Union-alls, Shirts and Drawers, Union Suits, Shoes, Hats, etc.
