Lyle Hutchens, aged three years and fourteen days, eldest son of Mr. and Mrs. Orval Hutchens of this city, passed away at St. Vincent's hospital, Portland, last Thursday evening of spinal trouble. About a year ago little Lyle had a severe attack of spinal meningitis and it was thought he would eventually recover entirely, but new complications set in and he was taken to the hospital Wednesday morning and everything possible done for him, but to no avail. Funeral services were held at the local Christian church at 10 o'clock Saturday morning, Rev. Sias officiating, and the remains were interred in the Banks cemetery.

**Dr. Kauffman Has Grip**

The editor of the Express has just learned that Lieut. H. R. Kauffman, who left this city several weeks ago for Ft. Riley, Kas., to serve his country in the medical department, has a good case of the grip; not the LaGrippe of the French or the Influenza of the Russians, but a really, truly calf-skin grip, or bag, which was presented to him on the eve of his departure by a group of admiring patients, who believe that to Dr. Kauffman's experience and care is due the fact that they (the patient-) are still among the living. The said grip would have to be a large one to hold all the good wishes Dr. Kauffman's former patients entertain for him.

Don't forget Gloriana Monday night.

**Veterans Elect Officers**

At the semi-annual meeting of the Washington County Veterans' association, held at Cornelius last Thursday, the following officers were elected for the term of one year:

E. F. Sias, Hillsboro, president; J. T. Butler, Forest Grove, and Mrs. Sarah McNutt, Cornelius, vice presidents; J. T. Butler, secretary and chaplain

The next meeting will be held in this city the first Thursday in October.

Memorial services for departed members were held in the morning, at noon there was a bountiful basket dinner and the election and other business came after dinner.

**Attendance Was Poor**

Only a few local women took the pains to attend the Conservation meeting of the Woman's club at Langley hall last Monday, but those who came got some pointers on the canning and drying of fruit. Miss Minnie Myers was the principal speaker and furnished some samples of canned and dried fruits. A general discussion and swapping of experiences proved beneficial to those in attendance. Unless the women of the city take more interest in these meetings, they may be discontinued.

**J. C. Kuratli for Sheriff**

I desire to announce to the legal voters of Washington County that I am a candidate for the office of Sheriff at the Republican primaries to be held May 17. The vacancy in this office did not occur in time to have my name printed upon the ticket, hence it will be necessary for my friends and supporters to write my name in the ballot. Your support will be appreciated.

J. C. KURATLI.
