A Factory Demonstration of the Universal Combination Range

Thursday, Friday and Saturday June 20, 21 and 22

A demonstration of the **Universal Combination Range** that is of vital interest to every home in Washington county--and every woman who is interested in keeping down her fuel bills is invited to attend and learn how the **Universal Combination Range** keeps down the fuel expense.

The Universal Combination Range

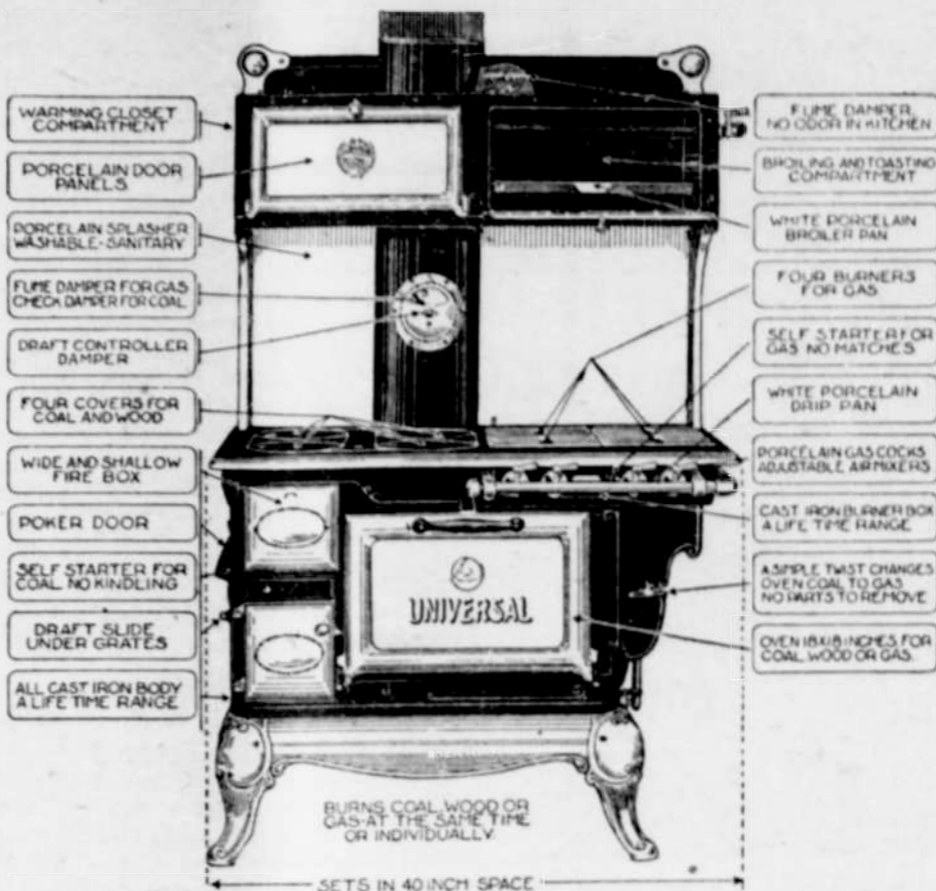

will reduce your fuel expenses because of the scientific construction of this range, insuring the greatest amount of heat and cooking power from whatever fuel used--

Because you can burn coal, wood or gas. When a fire is needed for several hours, burn coal or wood. When a quick, hot fire is wanted for a brief period, burn gas.

A cool kitchen in warm weather and a warm kitchen in cold weather.

A self-starter for the gas--no matches.

A self-starter for coal or wood--no kindling.

The Universal Combination Range

The Simplest Range to operate made--the most perfect baking and cooking device known to-day.

Burns Coal, Wood or Gas--All three fuels can be burned at one time, or any one you choose. No parts to change--nothing to misplace or forget.

The Change from one fuel to another is done with a turn of the hand. Turn on the gas and the oven is adjusted for gas heat. Turn off the gas and the oven is adjusted for coal or wood.

An 11-Piece Set of Pyrex Cookingware Given with every Universal Combination Range Sold during Demonstration Week

A very practical, useful set of this famous glass baking and cooking ware--the most sanitary and satisfactory ware yet produced and the pride of every woman who owns a set--and given with every Universal Combination Range sold during demonstration week. Used with a Universal Combination Range, your cooking and baking will be always a pleasure.

We will Sell you a Universal Combination Range on your Own Terms--in Reason

Select the Range best suited to your needs, decide how you can most conveniently pay for it--set the amount of your first payment and the future installments yourself. Submit your plan to us, and if it is within the bounds of good business, we will accept it.

Your old Coal or Wood Range will be taken as part payment. A factory representative will be here demonstration week and give you scores of reasons why this Range is the best.

Methodist Church Services

Sunday School 9:45. We started to make last Sunday the largest attendance in the year and we succeeded. Let us do better, and add at least 20 more next Sunday. Let every member and friend be present.

Morning worship 11:00 a. m. You are invited to attend the service. Let us make it "go to church day."

Epworth League 7:00. Class meeting 7:30. Evening service 8:00. Prayer meeting, Thursday at 8 p. m. JOHN EBERT, Pastor.

Congregational Church

Children's Day Program at 11:00 a. m. This will be a service of much beauty and spirit. Come by families.

Open-Air Service at 8:00 p. m. on the church lawn. Special invitation for automobile attendance. Come and occupy your own cushioned seat. Mr. Patten will speak on the theme: "Our Contemporary and Insurgent God." Many older ideas of God cannot survive the war. Are there deeper and more vital ones to take their place?

The Patriotic Concert will occur a week later--on Sunday night, June 23. A. B. PATTEN, Pastor.

Report Cards Out Saturday

On Saturday afternoon of this week, beginning at one o'clock, the public and high school buildings will be open to pupils to come for their books. At the same time the report cards will be handed out. The cards for each building will be in the hands of the principal of that building. All pupils should appear for their books and cards or send for them, as the buildings will remain closed during the summer.
