Notes on County Fair

The Washington County Fair will be the center of the rally for the Fourth Liberty Loan. Not only will there be posters and flags and speakers who have been "Over There," but there will be a Military Band from Vancouver Barracks, a company of Oregon's best trained soldiers and an airplane demonstration. The patriotic women of the county will hold a monster parade. The school children of the county will exhibit the best results of their Industrial Club projects. The Food Administration will show the concrete results of "Hooverism." Altogether, it will be one of the county's leading gatherings for the winning of the war.

At the same time it is well to remember that Washington is one of the foremost counties in the state in agriculture and dairying and the exhibits along these lines will be worthy of the prizes offered and worth going miles to see.
