The Cape Horn, (Columbia River), Telegraph company have completed their line to Currinsville, Clackamas county, and expect to reach Oregon City by January.

The largest single sale of hops was effected by Dr. Davis, at Harrisburg, and 80,000 pounds, at 141 cents, net-

A prospecting party is out in the

quantity sufficent for irrigation pur-

poses. It is is pumped to the surface by a twelve foot wind mill, What kind of sermons will those be which the 500 California preachers have agreed to preach on the subject, "purity of the press?" How would it do for them to furnish pure mate-

rial for press comments? The St. Helens Mist thinks that city ought to become a great trade center. That's right, brother; but before any great degree of prosperity will be enjoyed moss-backism must depreciate greatly. But in the meantime do not lose sight of the fact that the more progressive industrial classes are relegating moss-backism to the rear and in spite of all the kalamity shrickers the country is

pushing steadily ahead,

A car on the Southern Pacific was taken possession of by some sixty "Tourists," and when the train reached Salem the conductor asked the city officials for their arrest. So as rendered. They did no more, he as- judged by receipts, in the United ing editorials were published, and them out of the cars, which was done tered a second car. The railroad officials then let them ride and Port-
