Dear Sere: About a year ago I was laid up with riscumutism. I was in : terrible state. I could not turn over is bed without assistance. As there was no physician in throng I tried various iniments, but they all faired. When my condition was very serious, as the pain seemed to be striking near the seart, your agent came along and had a softle of Congo Oil. Hearing I was ill with rheumatism, he called upon me and brought a bottle of Congo Oil. He applied it several times. From that day of this I have not been troubled with theumatism. I feel that I owe my life to the wonderful oil. All this can be cerified by Fred Haines, of Harney, also he landford of the hotel and several thees. Lalways carry a bottle of Congo.
